THE ROCKETEER

Culmination of a Fourteen-Year Dream Seeks Jobs for

C. A. Reeves

sent Chaplain Reeves to China Lake. Soon after his arrival Chaplain Reeves issued an invitation to all Protestants to join in worship and services were held in the Crew Recreation Hut. The Prot- duction-in-force at China Lake, the estant Sunday School was organized and by the Personnel Department has consummer of 1945 had reached a membership of tacted numerous employment agen-100 children.

By 1946, services of divine worship were be- which remain to be filled. ing held first in the old Movie Hut, and later in the Station Theatre, while the Movie Hut was being remodeled into the old Station Chapel.

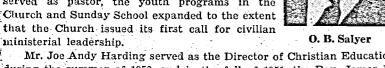

Under the leadership of Chaplain Brewer who who came aboard in 1946, the attendance at Sunday worship services increased and the Sunday School grew and prospered. The date of March 25, 1946, appears on the first minutes of the Joshua Bible Class, the nucleus from which our present NOTS Community Church sprang. This group later became the Fidelis Fellowship and its members, many of whom are still with us at China Lake, worked hard to organize our present church.

under the guidance of Chaplain Carpenter, and in spite of a very inauspicious beginning has sistant GS-9 prospered and grown markedly during the ensuing years. It was during the year of 1947 that the hopes, prayers and endeavors of those who had served

before came into fruition. In August, 1947, following the urging of members of the Fidelis GS-3 Fellowship, the Station Command authorized Chaplain Salyer to formulate plans for a Protes-

H. M. Carpenter tant Church. Through the dedicated efforts of Chaplain Salver, a constitution was prepared and approved by the Command and the District Chaplain of the 11th Naval District. At a called meeting of the congregation on December 14, 1947. this constitution was accepted, Church officials elected and 83 members received into the church. Chaplain Salyer served as the first pastor and by mid-1949, the church membership 300-embracing During 1950 - and 1951, while Chaplain Wolf served as pastor, the youth programs in the

ministerial leadership.

W. L. Wolf

mer of 1953, Mr. Egly left to serve as pastor of the Community Presbyterian Church of Pilot Rock, Oregon. Shortly after Mr. Egly's

arrival, Chaplain Zoller relieved Chaplain Wolf and through 1953, Mr. Egly and Chaplain Zoller-ministered to the needs of the congregation and community. It was during this time, as re-

flected in the increasing Church budgets, that the church embarked into a widening sphere of Christian stewardship.

The fall of 1953 marked the departure of Chaplain Zoller and the arrival of Chaplain Car- duction) ter and the present pastor, the Rev. John L. Reid, Jr. Beginning in 1954, in order to accommodate the increasing congregation, two worshop services Parent-Teacher were held each Sunday morning, and in 1955, a second Sunday School section was opened. The Conferences Due Church membership and program, under the lead-

BuOrd Selects Albert Camp, Dr. Haseltine To Represent NOTS in London Conference

Two China Lake men have been chosen by the Bureau of Ordnance to represent NOTS in the 8th Annual Tripartite AXP Research Conference held in London from October 21 to November 1. Albert T. Camp, Head of the Propellants Division of the Propellants and Explosives Deartment, and Dr. W. R. Haseltine, Head of the Ballistics Jivision of Research Department are the official participants at the government-sponsored meeting.

The Tripartite member nation are Great Britain, Canada, and the United States. The purpose of the conference is to present new ideas, as well as improvements in methods in the fields of propellants, ballistics, and high explosives. Representatives of all three of our armed services were invited to attend.

Al Camp planned to present highlights from three papers, two of which were prepared by NOTS authors. The first is "A Multipurpose Ordnance Plastic: Polyvinyltetrazole" by W. G. Finnegan, L. A. TODAY Burkhardt, R. A. Henry, and W. S. McEwan, all of Research Depart

Parking Spaces Relocated Within Perimeter Fences

New regulations concerning Foot hill parking areas will go into effect on Monday, according to a recent Annex instruction.

Most affected are the parking spaces within perimeter fences Area "E." Ten of the 60 spaces have been assigned to officers and key employees of Code P19 and China Lake department representatives assigned here, and the remaining fifty spaces have been prorated among the larger Annex groups-P80, P55, P2502, and P709. Responsibility for assignment of individual spaces rests with the heads of

Car pools consisting of four or tration, a newly established posi-tion, was announced this week by Cdr. J. J. O'Brien, Officer in Charge participating group size, the space should be reported to the Chief of ministrative functions such as Guards immediately for reassign-

Cdr. J. J. O'Brien, Officer in ment and coordination of manage- east, and Santa Fe right-of-way

Requirements Any employee's car entering the plant is required to have a NOTS He received his B. S. degree from windshield sticker and those as-Guards.

Courtesy

Because of the decreasing amount of full-time parking in areas surounding Foothill, each employee to whom a space has been assigned is urged to arrange with the Chief of Guards for reassigning the space luring absences of a day or more.

Annex Vacancies

Physicist or Engineer, GS-7, 9, 11, 2, in Code P129. Major duty of this position is to perform broad analyses and evaluations of advanced weapons and weapon systems in a team Operations Research approach. Problems are ordinarily oncerned with determining or estimating requirements, characteristics, performance and effectiveness of these systems. Current programs are directed principally towards anti-submarine warfare systems. Interested persons contact Bernie Silver, Extension 110.

Christmas Choir

First rehearsal will be held next Tuesday, November 5, at 12 noon has announced.
