Radio Station KRCK Expands News Coverage for China Lake

morning, July 28, radio station KRCK (1360) will initiate a full-scale Information Phone Service Service program designed to keep residents of Indian Wells Valley informed throughout the day on all news developments at local, national, and world-wide levels.

(IS) program will be heard Monday being made to maintain adequate through Friday weekly covering personal long distance telephone complete weather forecasting of official temperatures, humidity, and sions of "Operation Minimize." wind conditions; latest headline news at home and abroad; sports; and late breaking news at all levels will be broadcast intermittently. Of significant interest to resi-

dents of China Lake and Ridgecrest will be the "China Lake Report" portion of the morning news roundup which is scheduled to start at 7 a.m., and the "China Lake Headlines" report scheduled for 12 o'clock

Individuals and organizations are invited to submit news items in writing, in person or by mail directly to the station located at 350 West Ridgecrest Blvd., Ridgecrest. These news items will be broadcast in the daily China Lake "Reports" or

The success of this enterprise depends on the interest and cooperation of Station residents in submitting stories and news of local interest. News items which will be alone cannot supply a sufficient coverage of all activities at NOTS r consume all the time on the air which KRCK is offering for Station news.

This revision in programming at KRCK is a result of recent changes and additions to the station's staff. The present staff, among which are broadcasters of significant radio experience, consists of Bob "Gabby" Gadbois, station manager; Denny Lyons, sports director and public relations; Joe Gallagher, production manager; Norman Woodruff, program coordinator; Lee Maddox, romotion specialist; and Elaine

Sünderland, secretary-bookkeeper. Following is a schedule of the Information Service program which has been compiled to guide listeners in selecting programs of their

The Station expects to issue supplementary regulations, primarily in

the health area. To date, 10 boarding homes on the Station have been licensed by the county. This is not sufficient to meet the demand which will exist at the beginning of the school year n September. In addition, particular requirements exist for homes catering to the care of infants under two years old.

The broad problem of child care facilities is currently under review by a committee of parents representing a number of departments and activities on the Station. Members of this committee will also be present at the Thursday afternoon meeting to answer questions relating to child care facilities.

Station On Verge of Rationing Water

Tenants Asked to Cooperate with Conservation Appeal

Any increased water usage over that recorded during the recent hot spell will cause Station management to commence water rationing. We were using all that it was possible to produce during this period.

On peak days the pail is about empty. Let's all cooperate and issist in conserving water. Use what is essential but do not waste it down the streets or in over-irrigation of grass and

So far there have been two days in July when the consumption of water nearly matched our ability to produce the needed supply. This happened on only one day last year.

Your cooperation is requested to conserve water. Your efforts will be appreciated by Station

Use Water Wisely

Martin.

Bishop Overcomes China Lake All Stars

Friday evening, July 18, and won ir first game in the District playoffs, beating Edwards 3-2. David Larson and Tommie Ward accounted for the three China Lake

runs with Larson batting in two runs and Ward one run. In the 3rd inning, a spectacular double play highlighted the game's if mathematics is learned only as a defensive play with the ball going from China Lake's short stop, De-Ham, to second baseman Landry, on

to the first sacker Ward. The batteries for China Lake were Mike Montague, pitcher, and Dwight Morgan, catcher.

Edwards and China Lake played one of the fastest games of the year with about 200 people from China Lake traveling to Edwards to see

It was a different story at Edwards on Saturday when the local All Stars met and were defeated by hit in this game, one by Wade of Bishop and the other by Brian Cowan of China Lake. The other runs batted in by China Lake were by Paul DeHam and Mike Benton.

The batteries in the Bishop game for China Lake were Tomac and Graves with Larson relieving Tomac and Benton taking over the catching chores for Graves.

This loss eliminates China Lake from the District Playoffs as all games are played on a sudden death

"AAA" Terriers Pull Surprise Triple Play

Terriers defeated the Senators 14-8 in the "AAA". Little League gáme played Wednesday, July 16. A spectacular triple play which ally tremendous for these eight nd nine-year-olds took place in the first inning when the Terriers allowed the first three batters to get on base with walks. The next batter hit; a fly ball

which was caught by Dave Thinson, who threw to Rich Lasell, doubling base for the triple play. This is the first play of this kind in the league that's keyed to your taste and your, and Control Division.
