

SCIENCE FAIR WINNERS—A proud staff of science instructors at Burroughs High School are pictured with student top Merit Award winners at the Kern County Invitational Science Fair held this week in Bakersfield. Shown with John Trent (extreme right) BHS Science Fair chairman, physics instructor, and chairman of the Department of Mathematics and Science (l-r standing) are: Ray Draper, biology instructor; and awardees Darrold Pieper, Pat Norris, David Sherlock, Jeff Besser, and Bill Sutherland. In front row (l-r) are: Val Montegrando, Karen Plain, Brenda Harney, Shelley McEwan, Cornelia Butler, and Betty Gey, chemistry instructor. See story.

Morris Dam Diver Ends Active Career

"Life is of little value unless it be consecrated by duty." This quotation sums up the philosophy embracing Chief Johnston's 20-year service in the U.S. Navy. A Senior Chief Boatswain's Mate (Master Diver), he transferred this month to the Fleet Reserve.

Born in Donegal, Ireland and raised in Philadelphia, Pa., Johnston enlisted prior to World War II and lost no time in getting his baptismal of fire. He took part in many major battle engagements in the Atlantic and Pacific areas.

While on a tour of duty with a Mine Hunting Unit, he was lauded by the Glen L. Martin and Company for his outstanding performance during salvage operations of a ditched XP6M Seamaster plane in the Potomac River.

Johnston's busy and exciting career is proof of his conscientious endeavor and willingness to serve. He leaves with his wife, Florence, and five year old daughter, Carol, to make his home in Philadelphia.

LAST OFFICIAL ACT—Capt. T. J. DuMont's last official act as Resident O-in-CC before leaving for his new assignment at New Orleans was to present a 20-year federal service pin to Charlie Martin of the Office of the O-in-CC, IIND. Martin came to work at NOTS with the Public Works Dept. in 1949 and transferred to his present position in 1953. He also worked for the Army Corps of Engineers.

Scholarship Funds Made Available To Air Vets' Offspring

Children of deceased or totally disabled "airborne" veterans have until April 15 to apply for grants or loans from the Airborne Assoc. Memorial Scholarship Fund. Applications may be obtained from their offices at 509 Pilot Avenue, Fayetteville, N. Carolina.

Applicants must have financial assistance and have an excellent high school record. In each case, there is proof of his conscientious endeavor and willingness to serve. He leaves with his wife, Florence, and five year old daughter, Carol, to make his home in Philadelphia.

CAPEHART SLABS—Workmen are shown pouring a concrete slab for one of the 328 Capehart duplex units at Site "B" near the Burroughs High School. Approximately 110 slabs have been poured to date, according to Leon Berkovsky, project manager.

CAPEHART DUPLEX—J. W. Bateson carpenters are shown at work on one of the first 12 duplexes being erected at Site "B." A total of 236 three-bedroom units and 92 four-bedroom units with eight basic floor plans are planned for Site "B."

Plans Made to Close, Modify Military Bases

Plans to discontinue or modify operations at 73 installations and activities in the United States and in foreign countries have been announced by the Department of Defense.

In his State of the Union Message on January 20, the President announced that he had directed the Secretary to appraise the opportunities of eliminating obsolete bases and report his preliminary conclusions by the end of February.

There are about 6,700 separately identifiable defense installations and activities of all types—2,230 of which are outside the continental U.S.

The DOD said each must be specifically evaluated against military requirements for peace time and mobilization purposes.

This is being done systematically and will be continued, DOD said. As the first step, 73 domestic and foreign installations and activities have been identified which are excess to DOD needs and can be discontinued or reduced in scope in order to produce future significant savings.

The costs of closing these installations, DOD said, will more than offset anticipated savings in FY 1962, but savings of over \$220 million in annual operating expense will be realized in future years.

Of the domestic installations, 36 will be declared excess and made available for use by other Federal agencies or for disposal by sale. Industrial plants which might be needed to support a mobilization effort would be sold under contracts containing a recapture clause.

Reasons for these actions include:

- Changes in missions, weapons systems and force levels have reduced the need for some facilities such as air bases and training stations.
- Certain industrial installations are no longer required as part of the government-owned production base.
- Some overhaul and repair facilities are operating at less than economic capacity.
- Reductions in inventory achieved through improved property disposal and utilization programs have resulted in freeing several million square feet of storage space at major supply installations in the continental United States.
- Work loads at some facilities can be redistributed to other more modern and efficient installations and save personnel and overhead costs.

The DOD said major actions will be phased to minimize the impact on employees and communities concerned to allow adequate time to work with community leaders on community readjustment.

Special procedures are being developed at the direction of Secretary McNamara to insure that all possible steps are taken to minimize the impact on employees and communities.

Installations to be reduced or discontinued in the continental United States are:

- Alabama:** Ordnance Depot Activities (Army), Redstone Arsenal.
- California:** Alameda Administration Center (Army), Alameda; Benicia Arsenal (Army), Benicia; Air Force Plant No. 10, Northrup Hawthorne; Star Com Minor Relay Station (Army), Los Angeles; Elliott Annex to Navy Supply Center, San Diego; Nuclear Weapons Supply Annex (Navy), San Diego; Government Facilities at Bethlehem Steel Corp. (Navy), San Francisco.
- Delaware:** Lenape Ordnance Modification Center (Army), Newark.
- Florida:** Atlantic Reserve Fleet Site, Greencove Springs; Navy Industrial Shipyard, Tampa.
- Illinois:** Chicago Administration Buildings (Army).
- Indiana:** Air Force Plant No. 38, (General Motors), Indianapolis.
- Kansas:** Naval Air Technical Training Unit, NAS Olathe.
- Kentucky:** Louisville Medical Depot (Army).
- Louisiana:** Hqts. Eighth Naval District and NAS New Orleans.
- Maine:** Long Island Storage Annex, Naval Fuel Depot, Casco Bay; Presque Isle AFB.
- Maryland:** Inspection and test performed at U.S. Naval Engineering Experiment Station, Annapolis, Md.
- Massachusetts:** Atlantic Reserve Fleet Site, Boston Naval Shipyard; Air Force Plant No. 69, Pitts.
- Michigan:** Grand Blanc Storage Facility No. 1, Grand Blanc.
- Mississippi:** Supply Construction Battalion Center (Navy), Gulf Port.
- Missouri:** Area Support Center (Army), St. Louis; Ordnance Plant (Army), St. Louis.
- New Jersey:** Government facilities, New York Ship Building Corp (Navy), Kodam, N.J.; Government Bethlehem Steel Corp. (Navy), Hoboken.
- New Mexico:** Kirtland AFB, Albuquerque.
- New York:** Air Force Plant No. 38 (Bell Aircraft Plant), Modeltown; Air Force Plant No. 68 (Olin Mathieson), Modeltown; U.S. Army Building, 39 Whitehall St., N.Y.C.; Medical Maintenance Activity, Schenectady.
- Ohio:** Cincinnati Ordnance District, Storage Facility (Army), Kings Mills; Rossford Ordnance Depot (Army), Toledo.
- Oregon:** Pacific Fleet Reserve Site, Tongue Point.
- Pennsylvania:** Government (Navy) facilities at Erie Forge and Steel Corp, Erie; Storage Annex, Olmstead AFB, Middletown; Air Force Plant No. 32 (AVCO) Williamsport.
- Texas:** Air Force Reserve Unit, NAS Dallas; Laughlin AFB, Del Rio, South Field, NAAS, Kingsville; Atlantic Reserve Fleet Site, Orange; NAAS, Port Isabel, Harlingen AFB.
- Utah:** Naval Supply Depot, Clearfield, Ogden.
- Vermont:** Air Force Plant No. 55, Burlington.
- Washington:** Camp Hanford (Army), Richland; Mt. Rainier Ordnance Depot (Army), Tacoma; U.S. Naval Degaussing Station, Birmingham; Government (Navy) Facilities at Isaacson Iron Works, Seattle.

Statistics can be used to support anything — especially statistics.

No opportunity is ever lost. The other fellow takes those you miss.

Karate by Experts

THE ULTIMITE IN SELF-DEFENSE—Karate, the "empty hand" art of self-defense utilizes the hands, elbows, fingers, feet, knees, and other parts of the body as weapons. Once banned in Japan by special Occupation directive it has now been legally accepted and has been introduced, with some modifications, to western culture. A free demonstration of "Karate" will be given at the Station Gym for NOTS residents at 8 p.m. See "Chuck" Mangold's Sports Slants for full details.

BHS Nabs Top Awards In County Science Fair

Eight Burroughs High School students emerged with 10 of the total of 46 cash awards given at the fourth annual Kern Invitational Science Fair held this week at Bakersfield Junior College. Science and mathematics students from high schools throughout the county vied for their share of the total \$1,725 cash prize awards.

Local students received \$625 of the total sum last Tuesday night following the judging by a committee of nine experts in their respective fields. Burroughs students won six top awards from the highest 13 available with a wide variety of challenging projects.

Sweepstakes winner, Jeffrey Besser, won \$150 plus an additional first prize award of \$25 from the American Chemical Society, Mojave Desert Section, for the best chemistry project.

First prize winners of \$100 each in the girls division were Brenda Harney, biology; and Pat Norris, chemistry. Pat also won an additional third prize Special Award of \$10 from ACS for best chemistry project.

Another first prize winner of \$100 in the boys division of physics was David Sherlock. Sherlock also won first prize in the physics division at the Kern County Science Fair last year.

Second place winners of \$50 each in the girls division were Cornelia Butler, biology; and Karen Plain, physics.

Sweepstakes and first place winners will be given a two-day expense-free tour of the Pacific Gas and Electric Company Kings River installations at the expense of the firm.

Nation's Top Test Track Scientists To Attend 3-Day NOTS Symposium

Over 120 persons are expected to converge on NOTS by military aircraft, commercial air line, private plane, bus and auto for the three-day meet of the Sixth Supersonic Track Symposium to be held here next Tuesday, Wednesday and Thursday, April 11, 12 and 13.

Representatives from the nation's four major tracks, NOTS, Holloman, Edwards, Hurricane Mesa, scientists and engineers from industrial firms and universities, as well as top military personnel from the Navy, Army, and Air Force, will be in attendance to exchange views and discuss mutual problems on supersonic track operations.

Twenty-two technical papers will be presented by nationally known authorities covering various phases of structure, propulsion, and instrumentation, to increase the capability of supersonic track facilities.

Lester G. Garman, who will represent NOTS as the hosting activity, is also chairman of the INSTRACON steering committee which is responsible for the planning of the Inter-Station Supersonic Track conferences. Garman was named to the two-year chairmanship post last July. A NOTS employee for the past 13 years, he has headed the Supersonic Track Division at China Lake since March, 1959.

Other members on the steering committee include Col. L. M. B...

L. G. (Red) Garman
Chairman

Construction of SNORT began in 1952 and was completed in November of 1953.

Many speed records have been broken on the SNORT track since it first established the monorail record of 2,828 miles per hour

AF Day Project Committee Sets Stage for Annual Event

The Armed Forces Day Project Committee has been designated and met last week to discuss schedules and programs for the annual event set for May 20. At this time, NOTS opens its gates to the public and presents an unclassified review of the Station's projects.

Cdr. Chester W. Heck, Head of Command Administration, has been named as this year's Armed Forces Day Project Officer. His assistant will be LCDr. Reginald L. Barrington, also of Command Administration.

Departments and their committee representatives are as follows:

- Office of the Commander** — Lt. (jg) W. W. Carter, Experimental Officer's Staff—LCDr. W. E. Smith, Command Administration — T. T. Chapman, V. A. Cummins, Cdr. W. H. Burns, and Budd Gott; **Central Staff**—R. C. Scoville, NAF—LCDr. R. K. Watson, Supply Dept.—Lt. (jg) T. A. Bell, Test Dept.—J. W. Gardner, Aviation Ordnance Dept.—R. J. Freedman, and Propulsion Development Dept.—Alma Koch.
- Also, Weapons Development Dept.**—R. T. Carlisle, Research Dept.—W. W. Steele, Engineering Dept.—W. R. Weakley, Personnel and Community Relations Dept.—J. E. Kieta, Public Works—Ens. R. G. Adamson, Technical Inf. Dept.—R. A. Sinnott, Medical Dept.—R. F. Christopher, CWO, and L. R. Anderson, HMI, GMU-25 — W. E. Lockie, VX-5—

It was decided that the use of cameras would be permissible with no restrictions. Members present were also informed that the Little League and Babe Ruth League would conduct their opening league ceremonies at 8 p.m. Saturday.

The possibility of combining the SNORT and Sidewinder firings was discussed at some length. Although presently unscheduled, the two firings and the Michelson Laboratory tours will definitely be held.

Invitation to a military band and the probability of marching units for a parade, and an aerial salute by the Edwards Air Force Base are all in the planning stage and will be resolved at the next meeting which is scheduled for next Tuesday.

Station personnel will be provided with an opportunity to meet the symposium delegates during a no-host social hour to be held at the Officers Club on Wednesday from 6:30 to 7:30 p.m. A banquet honoring the delegates will follow the social hour.

Those who will present papers during the meet are as follows:

Tuesday

Lt. Conrad R. Kowal, Holloman AFB; R. T. Cliffe, Jr., Rocketdyne; Joseph E. Montalbano, Aircraft Armaments, Inc.; Peter G. Pritchard, Applied Electronics Corp.; Hans J. Rasmussen, Holloman AFB.

Wednesday

Lt. Finn, Edwards AFB; John G. Frayne, Consolidated Electrodynamics Corp.; F. F. Kuhn, Holloman AFB; Milton Wolfson, Holloman AFB; Dr. H. Lotze, Holloman AFB; and M. A. Broderick, Cook Technological Center.

Thursday

Dr. John C. Burgess, Stanford Research Institute; Paul A. U. Lawrence, NOTS; R. E. Marquand, Radiation Inc.; Frederick A. Moynihan, U. of Minnesota Institute of Technology; Marvin D. Weber, Holloman AFB; D. L. Krenz, Sandia Corp.; Harvey C. Ellis Jr., Holloman AFB; D. J. Carella, Picatinny Arsenal; and G. R. Fox, General Electric Co.

Station personnel will be provided with an opportunity to meet the symposium delegates during a no-host social hour to be held at the Officers Club on Wednesday from 6:30 to 7:30 p.m. A banquet honoring the delegates will follow the social hour.

WILDFLOWER SHOW COMMITTEE—Meeting to discuss both the classification and arrangements and the judging for the forthcoming 17th annual Desert Wildflower Show April 22 and 23 (l-r) are: Helen Moore, Louise Richards, and Ruth Garrett.

Spring - Time for Outdoors, Snakebites

With the first day of Spring last month came the promise of warmer days ahead - an invitation to desert explorers to roam and rockhounds to hunt for gems in offbeat areas of the desert—the habitat of rattlesnakes.

Station Crew's News

A series of "goodbyes" and "hello's" dominated our week here at the Personnel Offices. On our farewell list we note that K. S. Evan, ETN3, reported to the USS Sperry docked at San Diego; R. E. Rochester, AK3, traded duty in sunny California for a tour in wintery Argentina; and our cook with the magic wand, H. A. Morris, CS2, left for a tour aboard the USS Cowell anchored at Long Beach.

To Chief Morrissey's delight, M. O. Casados, HN, and D. A. Arrtrip, HN1, have reported for duty with the Station Hospital. They have just completed a course at the Hospital Corps Hospital in San Diego. Also welcomed aboard is K. M. Russo, YN2, and his wife, Fusae, a native of Yokosuka, Japan. He has been assigned to Personnel and hopes to take leave later this year to introduce the 'missus' to friends and family in Trenton, New Jersey.

Stage Show Slated For Station Theatre

The International Variety Productions of Houston, Tex., will bring its comedy stage play, "The Helpmate" to the Station Theatre on April 7th at 8 p.m.

Staff Nurse, WAE, GS-5, \$4345 p/a, Code 88.

Applicants must be currently licensed to practice as registered professional nurses at the time of appointment, and must have completed a full 3-year course in residence in an approved school of nursing, or a full 2-year course in residence in an approved school, plus a year's additional nursing experience or education.

Examined

Firefighter GS-3 and GS-4 at \$3760 and \$4040 p/a respectively. To perform work involved in fire prevention and fighting fires; to maintain firefighting apparatus and equipment, and to perform related duties as may be required. The GS-3 position is recognized as that of trainee.

Applicants for the above positions will be accepted until further notice.

UN Awards Go To Harney, Haseltine

An opportunity to observe the United Nations in action has been extended to Brenda Harney and Bill Haseltine, winners of this year's United Nations Pilgrimage for Youth Award. Udell Schmitz was named alternate. The delegates plan to leave in June.

TOP GUNS—Shown (l-r) are three of the fast guns in the recent fast draw contest, Paul Stephens, 6th place; Bob Hall, 4th place; and Don Marvin, 2nd place, winner of the Navy Trophy. We inadvertently identified Don Marvin as Bob Hall in last week's issue.

School Notes

John Crowder, Director of Athletics, has released the following schedules for the Varsity Baseball team and the League Tennis team.

Baseball

Home games will be played on the new high school campus; all being league games with the exception of the April 29 game at Tehachapi.

Tennis

Apr. 'B' versus 8 Palmdale at Palmdale 10 a.m. 15 Victor Valley at home 10 a.m. 22 Barstow at Barstow 10 a.m. 28 Palmdale at home 3 p.m. 29 Tehachapi at Tehachapi 10 a.m. May 6 Victor Valley at V-Valley 10 a.m. 13 Barstow at home 10 a.m.

Sports Slants

Karate Exhibition Slated Tonight at Station Gym

A team of six Karate experts, headed by instructor George Halburian and his assistant Dick Bellis, will demonstrate this deadly art of self-defense in the Station gym today at 8 p.m.

Karate, meaning "empty hand," refers to the fact that no weapons are used. Only by witnessing an exhibition can one actually realize the speed and incredible power of this ancient art. Because the misuse of Karate could be lethal, explains Halburian, all students are screened through the Police Department, finger-printed, and records kept in confidential files.

Everyone is invited—there will be no admission charge.

Softball

A meeting of all personnel planning to participate in the Station Intramural Softball League will be held in the Housing Bldg. conference room next Wednesday at 1 p.m.

Golf

Twenty local golfers descend this weekend upon the lowest golf course in the world to represent China Lake in the annual Death Valley Invitational at Furnace Creek.

Divot diggers planning the sojourn are: Earl Roby, Gary Stevenson, Dale Mead, Bill McIntosh, Chuck Fritchman, Bob Kochman, Cal Cline, Jim Downard, Ben Gaska, Jim Hargrove, Bill Herron, Bill Kummings, Gus Mead, Frank Nelson, Al Newman, Jim Phalen, Ralph Pinto, Jim Runchey, Carl Turse, and Raul Voorhies.

Bowling

Last Wednesday, the VX-5 "Skyhawks" finished victorious in the Commander's Trophy Bowling League held at the EM Club Alleys. In addition, VX-5 also led with high series (2424) and high game (899).

Team members are C. O. Jennings (captain), C. L. Wilson Jr., Al Ullsperger, Doug Kingsbury, Bill Laux, Ron Brelsford, Larry Eggerman, and Bill Solway.

Volleyball Schedule

Tuesday, April 11 NAF No. 1 vs. NAF No. 4, 6:30 p.m. VX-5 vs. Redeye, 8:30 p.m. Thursday, April 13 NAF No. 4 vs. Test Dept., 6:30 p.m. NAF No. 3 vs. Personnel, 7:30 p.m.

Swimming Pool

The Station swimming pool is open to the public on Friday evenings from 6 to 8 p.m. and on Saturday and Sunday from 1 to 6 p.m.

GMU-25 REENLISTMENTS—Lt. Wilmer J. Niles, who assumed duty as Officer-in-Charge of GMU-25 on March 17, administers reenlistment oath to two GMU-25 men while three others extended their enlistments. Men (l-r) are: J. H. Eberly, FT2, of Renton, Wash., and R. E. Sheffey, GM2, of Austinville, Va., sign over for another six years; while R. A. Wood, FT1, of Alameda, Calif., extends for two years; J. A. Cardwell, FT1, of Pensacola Fla., extends for one year; and W. P. Randles, FT2, of Miles City, Mont. extends for two years. The unit's mission is to test Terrier and Tartar missiles.

Local Talent To Be Featured In 'Music Man' Excerpts

Local talent will share the spotlight with Wally Webb and his orchestra at the next Adult Station Dance to be held in the Community Center on Friday, April 14. Home town personalities who will sing the leads in excerpts from the popular Broadway musical "Music Man" will be Melody Reid and Warren Kirk. Barbara Auld, Lois Allan, Cathy Carpenter, Lorna Charlton, Bette Jacks, and Betty Heflin will comprise the ladies chorus.

The men's chorus will feature

Barbershoppers Dean Hewitt, Henry Wair, Tom Leese, and Rex Shakklett. Accompanist will be Mirth Hammerberg with the story continuity handled by Eleanor Lotee.

Dancing will begin at 9 p.m.

with the "Music Man" entertainment scheduled for 10 p.m. Reservations for groups of 8 or more are available by calling the Community Center, Ext. 72010. Admission will be 75 cents a person.

Cribbage Tournament

All Cribbage players are reminded of the monthly tournament to be held next Monday at 7 p.m. in the Community Center lounge. Four-hand partner Cribbage will be played. Individual trophies are awarded winning teams plus having their names engraved on the Championships plaque.

EM Club Activities

The Oasis lounge of the EM Club will be the spot for fun on Friday nights during the month of April. The "Key Notes" combo will be playing there on the 7th and 21st while Western music takes over on the 14th and 28th.

P.O.P. Discount Tickets

Just received at the Community Center receptionist counter are discount coupons for Pacific Ocean Park. These certificates can be exchanged at the P.O.P. box office for admission tickets at \$1.50, valued at \$1.75. The admission is good for their 40 rides and attractions, plus Super Sea Circus, Neptune's Kingdom, Zooland, Children's Fun Forest, and the new Ocean cruise from Playa del Rey to Malibu. You may ride as much and as long as you like with the one admission price.

Off-Station Highlights

FURNACE CREEK - April 7-9 the Fred Harvey Invitational Golf Tournament will be held at the famous Death Valley resort. The course is 178 feet below sea level, lowest in the world.

Palmdale - Lilac Festival to be held at Yucca School April 7, 8 and 9.

The dates of the National Orange Show in San Bernardino this year are April 20-30. One of the features of this annual citrus exposition will be the Atomic Energy Commission's newest traveling exhibit "Atoms in Action."

Death Valley Trip

On Saturday, April 15, a trip to Death Valley to visit the prehistoric animal tracks has been arranged by the China Lake Photographic Society. Ranger Matt Ryan of the National Park Service will accompany the group.

Four-wheel drive vehicles are required as a portion of the trip will be through areas where there are no roads.

Four-wheel drive vehicle owners who are interested in participating in this trip are invited to contact Carl Rowles, Ext. 77023, after 4:30 p.m.

The number of vehicles allowed to go will be limited so all interested participants are urged to call Rowles soon as confirmation must be given the National Park Service. Monday evening will be the deadline for making the trip plans.

In addition to visiting the prehistoric animal tracks, if enough of the 4-wheel drive vehicle drivers are interested, the trip may be extended another day. This will enable them to return on Sunday by way of Butte Valley, down Goler Canyon, to Panamint Valley.

Driving Tip of the Week

Beware of corrosion around your battery cables. If they're corroded, clean them with a baking soda solution and cover them with grease. A broken battery cable will stall your car and knock out your lights instantly.

SHOWBOAT

FRIDAY "UPSTAIRS AND DOWNSTAIRS" (101 Min.) Michael Craig, Mylene Demingot 7 p.m. (Comedy) He marries the boss' daughter and inherits the chore of entertaining the firm's clients. He hires a girl to do this while he is on his honeymoon and she enters half the fleet. His next helper loses dogs—and the bottle. This goes on for fun galore! (Adults-Young People) SHORTS: "Farm of Tomorrow" (7 Min.) SATURDAY CHILDREN'S FILM SOCIETY 10 a.m. "Little Miss Cowboy," "Death Valley," and a Comedy Program. —MATINEE— 1 p.m. "SALLY AND SAINT ANNE" (90 Min.) Ann Blythe SHORTS: "Woody Meets Davey Crewcut" (7 Min.) "Son of Geronimo" (16 Min.) —EVENING— 7 p.m. "RAW WIND IN EDEN" (94 Min.) Esther Williams, Jeff Chandler (Drama in Color) Jilted fashion model accepts invitation to foreign yacht party, but crashes on island enroute. She falls for mysterious American islander who tries to repair an abandoned yacht. (Adults-Young People) SUNDAY-MONDAY "THE CANADIANS" (85 Min.) Robert Ryan, John Dehner 7 p.m. (Outdoor Drama in Color) The Sioux have wiped out Custer at Little Big Horn and the entire Sioux nation has moved into Canada to escape U.S. Cavalry. Three Mounties warn the Sioux to behave, but have their hands full when Americans massacre a village. (Adults-Young People) SHORTS: "Down the Road" (10 Min.) "AFSM No. 580-B" (19 Min.) TUESDAY-WEDNESDAY APRIL 11-12 "THE MILLIONAIRES" (114 Min.) Sophie Loren, Peter Sellers, Vittorio de Sica 6 and 8:15 p.m. (Comedy in Color) Frivolous heiress goes through three husbands (making them nervous wrecks) trying to find true love. Father's will says she must marry a businessman. She meets an indifferent doctor who thinks she should be business-like and the fun's on! This is G. B. Shaw material. (Adults-Young People) SHORTS: "So Sorry Pussycat" (7 Min.) THURSDAY-FRIDAY APRIL 13-14 "THE STEEL CLAW" (97 Min.) George Montgomery, Charita Luna 7 p.m. (War Drama) Marine is discharged from WW II Manila Hospital after loss of a hand. After a night of revelry he cons a buddy to take him on a naval ship bound to rescue a general held captive by guerrillas. He takes ransom money to them, but the Japanese intervene. A top action show. (Adults-Young People) SHORTS: "Strangled Eggs" APRIL 15 "WINGS OF CHANCE" (76 Min.) Jim Brown, Frances Rafferty 7 p.m.

News From Pasadena

ASW Conference Held, Information Exchanged

Foreign Visitors Abound at NOTS An international flavor has prevailed at NOTS Pasadena in recent weeks with visitors from Japan, Canada, and France. Visiting yesterday from Japan was Cdr. M. Saeki, Chief of the Torpedo and Mine Facility at Yokosuka. Cdr. Saeki is with the Japanese Maritime Self Defense Force.

Six Complete Industrial Purchasing Course

COMPLETE COURSE—Completing an 18-week night-school course in Industrial Purchasing, six Supply girls receive certificates. Left to right are: Captain I. S. Moore, Director of Supply, who presented the certificates; recipients Cathy Caves, Kay Strapp, Helen McReynolds, Nancy Reagan, Kay Goodwin, and Lurline Kemp. Cdr. H. J. Hicks offers congratulations. The course was held at Pasadena College.

Esther Talbert Honored At Retirement Party

ESTER—Esther Talbert, Coffee Port Manager for the past six years, is surrounded by cakes baked by employees throughout Pasadena for her retirement party. More than 300 persons filed through the Coffee Port last Thursday afternoon to offer congratulations. Esther is retiring to stay home and we expect she will devote much of her time this year in support of her favorite team—the Dodgers.

Station's First Commander Returns For Visit

RETURN VISIT—Rear Admiral Sherman E. Burroughs, Jr., Retired, (right) the Station's first Commanding Officer, returned for a visit on March 29. Now with Libra-scope, Vice-President of Military Relations, he held the NOTS command from December 1943 to August 1945. He is brought up to date on NOTS Pasadena activities and projects by D. J. Wilcox and Captain Charles J. Beers, Officer in Charge.
