

Play Acey-Ducey Club Tonight

PLAY TWO-NIGHT STAND HERE — The Crazy Kats, one of the nation's top dance and entertainment groups, will appear at the Acey-Ducey Club tonight and Saturday night from 9 p.m. to 1 a.m. Group members (l-r) are Benny Lewis, leader; Frank Mahoney,

boss; John Winfield, lead guitar; Lewis Devila, sax. Barbara Goday, sultry vocalist and accomplished dancer, will be appearing with the group. Winfield is the arranger and composer for the group. Barbara is outstanding in her vocals and duets.

Tennessee's Film Shocker Set For Society Showing

One of Tennessee Williams' magnificent shockers is scheduled for Monday and Tuesday, April 11 and 12, the next-to-last showing this season of the China Lake Film Society.

The film, to be shown at the Community Center, was originally a one-act play by Williams, who also co-authored the screen play with Gore Vidal. The terms of rental do not permit printed publicizing of the title.

Outstanding direction by Joseph Mankiewicz and top performances by Elizabeth Taylor, Montgomery Clift and Katherine Hepburn make this a film of great interest.

One more film remains to be shown to complete the Film Society's current season, and members are invited to submit any comments or suggestions about the continuation of film presentations. The officers have said they are interested in finding out whether there is enough interest to present another schedule of films next season, and ask for suggestions about programming. Comments should be addressed to Roy Rockstrom, president of the Society.

SHOWBOAT

FRIDAY APRIL 8
"THAT DARN CAT" (116 Min.)
Hayley Mills, Dean Jones
6 and 8:15 p.m.

(Comedy in Color) Disney does it again with this gem about a Siamese cat, some humorous bank robbers and a handsome FBI agent. Inclusion of some suspense and action make this a "must see" for adults as well as the kids. It's the cat's meow! (Adults, youth and children.)

SATURDAY APRIL 9
—MATINEE—
"JOURNEY TO THE 7TH PLANET" (80 Min.)
John Agar
1 p.m.

Shorts: "Bonanza Bunny" (7 Min.)
"Trade Tom No. 4" (13 Min.)
—EVENING—
"THE CIRCUS WORLD" (131 Min.)
John Wayne, Claudia Cardinale
7 p.m.

(Drama in Color) Step right up to the biggest wild west show ever shown in Europe! Thrill to the Big Top as John tours the continent in search of his long-separated wife. See the ship catastrophe, the circus fire, the laughs and tears! (Adults, youth and children.)

SUNDAY-MONDAY APRIL 10-11
"THE SLENDER THREAD" (98 Min.)
Anne Bancroft, Sidney Poitier
7 p.m.

(Suspense Thriller) Based on a true-life incident, this tells of a volunteer city crisis center worker who attempts to stop a suicide. A much better film than it sounds — no letup right to the climax. Top performance by Academy Award winners. (Adult.)

Short: "Snow Fun" (7 Min.)
TUESDAY-WEDNESDAY APRIL 12-13
"WHEN THE BOYS MEET THE GIRLS" (98 Min.)
Connie Francis, Harve Presnell, Herman's Hermits
7 p.m.

(Musical in Color) Rock 'n Roll and Gershwin favorites pair up to background a story of a playboy who enrolls at a small backwoods college and meets Connie, and changes her former debt-ridden life with the help of the student body. (Adults, youth and children.)

Short: "Holiday in New Orleans" (10 Min.)
THURSDAY-FRIDAY APRIL 14-15
"TO THE SHORES OF HELL" (81 Min.)
Marshall Thompson, Robert Dornan
7 p.m.

(War Drama in Color) Viet Nam is the scene for a Marine Corps major to lead a rescue party in an attempt to release his brother from the dreaded Viet Cong. Topic shoot-the-works epic of today's headlines is filled with action. (Adults and mature youth.)

Shorts: "Astroduck" (7 Min.)
"The Land We Love" (22 Min.)

STATION LIBRARY LISTS NEW BOOKS

A complete list of new books is available in the library.

 - Ford—A Peculiar Service.

'Spring Fling' Set for Community Center by China Lake Catholics

The Second Annual Spring Fling sponsored by the NOTS Catholic Chapel will be held Friday, April 22, at the Community Center, dance chairman Bob Driggs has announced.

The event will feature dancing to the Crescendos Orchestra from 9 p.m. to 1 a.m. Driggs said many prizes are to be given, with the top one a

two-day expense - paid trip to Las Vegas. Prize winners must be present.

Tickets for the affair are \$2.50 and attire is informal. Tickets will be available only after all Sunday masses at the All-Faith Chapel. This will be the first social event in the Catholic calendar since Father Paul Toland's arrival a b o r d NOTS, Driggs said.

Social Security Man To Be Here Wed. 13th

A Social Security representative will be at the Community Center from 8:30 to 11:30 a.m. on Wednesday, April 13.

TO PLAY FOR SPRING FLING—The versatile Crescendos Orchestra will play for the Catholic second annual Spring Fling to be held April 22 at the Community Center.

Legal Officer Has Income Tax Forms

The Legal Office has a limited number of Federal Income Tax Forms and Schedules available for Station employees and military personnel, announces Cdr. Harold E. Byrd, Station Legal Officer. Also available are return forms for California State Income Tax.

Annual Wildflower Show Slated For April 30-May 1st

The 21st annual Wildflower Show, sponsored by WACOM as a part of the community effort, will again be held in the Community Center at China Lake on April 30 from 1 to 9 p.m. and on May 1 from 10 a.m. to 6 p.m. The show is open to the public with no admission charged.

Mrs. D. T. McAllister, General Chairman of the event, states that all the committees are busy preparing to present an outstanding show, inasmuch as mother nature has cooperated by providing a profusion of wildflowers, the deserts most beautiful contribution.

Special permission has been granted to allow the pickers to gather the wildflowers, which are protected by law under any other circumstance.

The arrangers will not only display the blooms to show their beauty, but will also label the flowers used in order to assist in identification, should they be seen growing on the desert.

"The wildflower show is a tradition in our community and many people, not only in the immediate area, but from outside the desert anticipate the show as an annual 'won't miss affair,'" says Mrs. McAllister. She also adds, "We, who are responsible for the show, hope to do justice to our beautiful desert in every way."

Right to Vote Can Be Lost by Not Registering

Time is running out for China Lakers and citizens of Kern County to affirm their right to vote in the coming primary elections by registering before the April 14 deadline, warns the League of Women Voters.

The League, of Bakersfield and the Valley area, reminds residents here that the voter must be 21 years of age, have lived in California for one year, in Kern County for 90 days and in his precinct for 54 days — but especially that he must register before April 14.

China Lakers serving as voter registrars should be contacted soon before the deadline sneaks up and passes. They are Maxine Sutherland at 450-B Essex Circle, Vera Appleton at 615 Saratoga, Marge Ashbrook at 603-B Lexington, Vera Greenfield at 706-B Kearsarge, Shirley Mitchell at 7-A Wasp Circle and Pat Silberberg at 1801-B Withington.

Others are Lanelle Thompson at 700-A Knox Road, Lorraine Ladda at 1101 Sullivan, Carol Creusere at 309 Intrepid, Carolyn Nathan at 201-A Wasp Road, Joan Leipnik at 522-B Nimitz and Eleanor Frick at 217 Robalo.

Navy Relief Br. Office To Close April 14, 15

The Navy Relief Office will be closed on Thursday and Friday, April 14 and 15, announces Phyllis Yount, local Navy Relief chairman. In case of an emergency military personnel may call the Chaplain's Office, Ext. 71506 or Ext. 72787 on these days.

College-Federal Conference to View Career Challenges Here

'THINGS OF BEAUTY'—Marilyn Cornelius, blond, blue-eyed, 16-year-old, Ridgecrest's Miss Teen, compliments a field of yellow coroleopsis wildflowers in the Randsburg Wash area as she examines specimens of Phacelia and Mountain Buttercups in preparation for the annual Wildflower Show to be held April 30-May 1.

Pasadena, NASA Representatives To Address Meet

"An Excursion to Scientific Reality — From Campus to Prototype" is the theme of the 19th Annual Conference of the Council for Southern California, which will convene on the Station Thursday and Friday, April 14th and 15th.

The Council was organized in 1947 for college and Federal administrators, with an interest in helping young people qualify for careers in the Federal Government. About 125 representatives from federal agencies, junior colleges, colleges and universities are expected to attend.

Dr. John T. Holloway, Acting Director, Office of Grants and Research Contracts, NASA, Washington, D.C. will speak on "Space Research — Where Do We Go From Here?" at a Friday luncheon. The conference banquet on Thursday evening will be highlighted by a special presentation by Mr. Edward Carpenter, NOTS, Pasadena, entitled "Un-

3.2 Per Cent Pay Hike Bluejackets See OK'd by House for CS Extensions Cut By 1 to 3 Months

A 3.2 per cent pay raise bill for Federal employees was approved yesterday by the House with only one dissenting vote.

The roll call was 392 to 1 with Rep. W. R. Poage, D-Tex., opposed. The only complaint against the bill in House debate was that the proposed pay raise was not enough.

The measure now goes to the Senate, where it will be considered by the Post Office and Civil Service Committee starting April 20. No serious

Senate opposition is foreseen. The pay raise, effective July 1, will benefit 1.8 million classified employees, civil service and post office workers.

Classified employees got their last pay raise Oct. 1, 1965, averaging about 3.6 per cent.

Approximately 3,079 NOTS classified employees at China Lake and Pasadena will benefit by the measure.

A similar measure is in the works to raise the pay of military personnel.

Navy enlisted men are scheduled to see the end of their obligated tours arrive months earlier than previously expected, due to a recent modification of four directives.

NAVOP-09 is the new directive which cuts involuntary extensions made in ALNAV 45-65, with ALNAV 16, NAVOP 10-65 and 16-65.

The four-month extensions are now cut to three for sail-

derwater Technology — The Deep Submersible Program." Carpenter is a general engineer with Underwater Ordnance Division's Advanced Systems Branch, with awards for work with such achievements as AS-ROC and SeaLab II to his credit.

Dr. William G. Thomas, Associate Dean of Students at UCLA, is the conference chairman.

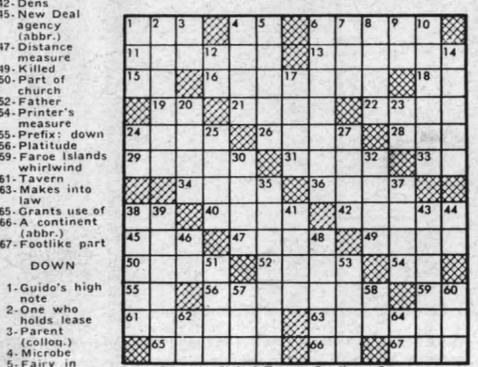

A College - Federal Council panel presentation will cover the subject "Socioeconomic Problems of a Federal Scientist" (Continued on Page 7)

PIO'S Will Have Single New Title, Says CHINFO

Down with confusion! The Department of the Navy's Office of Information has struck another blow against the proliferation of titles that accompanies modern government's growth in services to the public.

The recent CHINFO Notice 5720 declares that hereafter, all officers in the public affairs field will be called "Public Affairs Officers," instead of any of an arsenal of titles such as Public Information Officer, Service Information Officer, Command Liaison Officer, Technical Information Officer, Fleet of Force Information Officer, etc.

CHINFO noted that the previous confusion affected both servicemen and the public. The situation was posed where in a newspaperman would call a base or station asking for the "Public Information Officer," only to be told the activity had none by a gate guard or phone operator unaware that his "Command Liaison Officer" was the same thing.

Legislators are also to be spared confusion by the new one-title ruling, according to CHINFO. The requirement is to appear in the forthcoming U.S. Navy Public Affairs Regulations, to supercede the U.S. Navy Public Information Manual.

PTA Elections Are Set at BHS

Elections of officers will accompany a business meeting of the Burroughs High School PTA Thursday, April 21, in the multi-purpose room. Mrs. Vera Appleton of the PTA explained that a quorum is needed to conduct the election.

The meeting, to begin at 7 p.m. will feature a surprise entertainment program by the High School.

Offices to be filled at the election are president, secretary and treasurer. Selection of a delegate to the coming PTA state convention.

Chemical Society Meeting Monday

DR. DONALD T. SAWYER

Dr. Donald T. Sawyer, of the University of California at Riverside, will be the featured speaker at the American Chemical Society's Mojave Desert Section's dinner meeting at 7 p.m. at the Trona Community Church on Monday, April 11.

A graduate of UCLA with B.S. and Ph.D. degrees, Professor Sawyer will speak on "Nuclear Magnetic Resonance Studies of Metal Chelates."

A faculty member for the past 10 years at Riverside, he has been awarded a John S. Guggenheim Fellowship for study at the University of Cambridge, England.

Dinner reservations may be made with Dr. Wayne Thun, NOTS Ext. 72831, or Max Cox, Trona 372-0411, or Robert Allison, Bakersfield 871-4193.

ORIGIN OF CHIT

The word "chit," used for many years by the U.S. Navy and meaning a letter, note, voucher, or receipt, came from the old East India Company and is derived from the Hindu word "chitti." The word has wide use in the Far East and is throughout the British army and navy.

College Loans Offered by Navy Relief Society

Did you know that the Navy Relief Society has an Educational Fund available which provides an opportunity for Navy and Marine Corps service families to obtain interest-free loans for their college-age children?

There is such a fund. And, it has been around since August of last year, according to the local Navy Relief Branch.

The new loan program launched by the society in 1964 is thriving nicely, according to VAdm. W. R. Smedberg III, USN (Ret.), the Society's president.

With \$1 million in its kitty, the fund now sponsors a total of 153 students in colleges or vocational schools. Of the 78 boys and 75 girls included, only four became drop-outs and just two of them were for scholastic failures.

As of January 1, \$110,840.35 had been disbursed for educational loans. The average amount given was \$722 with the highest loan being \$1,270 and the lowest, \$100.

Purpose of Fund

The fund has been established for the purpose of providing money to dependent children of service personnel for education at accredited colleges, vocational training or for preparatory academic work prior to entrance to one of the state or national service academies.

Eligibility Rules

Children eligible for assistance are unmarried dependent sons and daughters (including stepchildren and legally adopted children) of personnel of the Navy and Marine Corps. Also, dependent children of members of reserve components, when on extended active duty; personnel on the retired list of the Navy and Marine Corps and Reservists who are in receipt of retired or retainer pay after 20 years of active duty; members of the Fleet Reserve.

In addition, dependent children of living or deceased service personnel, and in time of war, the U. S. Coast Guard, when serving as part of the Navy.

Dependents must not have attained the age of 22 prior to entering college or school. Young men and women on active duty do not become eligible for help from the Fund solely by virtue of their own active duty status.

Determination of Need

In arriving at the amount of the student's financial need for one school year, all resources which may be expected for one school year, are taken into account.

These include parents' support, a portion of student's savings, student's summer earnings and work during the school year, other scholarships and educational loans. The 'need' is the amount remaining after subtracting all resources from the total college budget for one school year.

Parents' Contribution

The parents are expected to furnish an appropriate share of college expenses in accordance with their income.

Examples of expected contributions from parents based on their approximate annual income after deduction of Federal Income Tax and the number of dependent children in the family are as follows:

\$4,000, one child, \$457; two, \$312; three, \$226; four, \$178; five, \$147.

\$8,000, one child, \$1602; two, \$1245; three, \$999; four, \$839; five, \$720.

\$12,000, one child, \$3291; two, \$2722; three, \$2316; four, \$2044; five, \$1837.

Interest Free Loans

Loans are made without interest and are evidenced by promissory notes signed by the student and endorsed by the father, if living, otherwise the mother or guardian, with the understanding that enforcement of payment will not be made if the student dies before payment is completed.

Required Information

When applying to the Educational Fund, the student should forward the following: A transcript of all high school work; a financial state-

EARN NAVY RELIEF PINS—Capt. John I. Hardy poses with Navy Relief workers following presentation of pins. Recipients (l-r) are: Betty Jensen, 100 hours; Betty Stoops, 100 hours; Dee Hardy, 100 hours; Kelly Lorange, 1,000 hours; Phyl Yount, 600 hours.

Spring Thru Ages Is Garden Club's '66 Flower Show

"Spring Through the Ages" has been chosen as the theme for the spring flower show presented by the Oasis Garden Club, April 21. The public may view the show at the Community Center from 2:30-9:30 p.m.

"Competition in the artistic division is open to all California State Garden Club members, while entries in the horticulture division are restricted to Indian Wells Valley State Garden Club members," states the show chairman, Mrs. Frederick Richards.

This year's table section includes a patio buffet, a semi-formal luncheon for two, and a capsule setting featuring after-dinner dessert and coffee. The Desert Daisies Junior Garden Club will be competing in both Horticulture and Artistic sections. An Education Division will also be featured.

Credit Union Accounts Now Being Verified

Verification of active and recently closed accounts of the local NOTS Federal Credit Union is being conducted by the Supervisory Committee of the Credit Union as required by law.

Statements with audit notices will be mailed out within the next three weeks.

Members with active accounts who do not receive their quarterly statements or who have questions regarding the balances of their accounts should contact W. G. Stelmiller, Chairman, Supervisory Committee, Post Office Box 5523, China Lake, Calif. 93555.

Letter of Thanks

The Verner Wilson family wish to express their gratitude and thanks to Station Commander Capt. John I. Hardy, Navy personnel and all their friends who honored their son Sgt. Raymond Wilson, USMC, with their kindness and consideration during their bereavement.

Bike Safety Week April 18 - 23

Bicycle fun with safety will be the objective of the "Indian Wells Valley Bike Safety Week" scheduled here for the week of April 18-23.

The program is designed primarily for the children in grades 3 through 6. Classroom instructions will be provided by all of the elementary schools, public and parochial, in Indian Wells Valley during the week.

On Saturday, April 23, between the hours of 9 a.m. and 11 a.m., bicycles will be given a mechanical safety inspection and riders will be given a riding skill test at six of the Valley schoolgrounds — Inyokern School in Inyokern; Las Flores and James Monroe Schools in Ridgecrest; and at the Murray, Vieweg and Desert Park Schools in China Lake.

Classroom instructions will be provided by all of the elementary schools, public and parochial, in Indian Wells Valley during the week.

On Saturday, April 23, between the hours of 9 a.m. and 11 a.m., bicycles will be given a mechanical safety inspection and riders will be given a riding skill test at six of the Valley schoolgrounds — Inyokern School in Inyokern; Las Flores and James Monroe Schools in Ridgecrest; and at the Murray, Vieweg and Desert Park Schools in China Lake.

Cyclists will be given an opportunity to receive a license upon successful completion of the classroom training and riding test. Owning a bicycle is not a requirement towards obtaining a license. The owners of bicycles failing the mechanical inspection will be given a written report of the deficiencies found.

All of the Schools in Indian Wells Valley will be co-operating in this program and will conduct the classroom training concerning what is a mechanically safe bicycle under the laws and what are the rules of the road for safe cycling—and future motoring.

Law enforcement agencies are co-operating in the Bike Safety Week and officers will be present at each school-ground named. At China Lake, the Station Security Officers will also provide the service of the licensing of bicycles, as

required by Station Regulations, during the hours of inspection and riding skill testing.

Conducting the inspection and skill testing will be representatives from the several groups who have joined forces in this first of what shall be an annual program for the Indian Wells Valley.

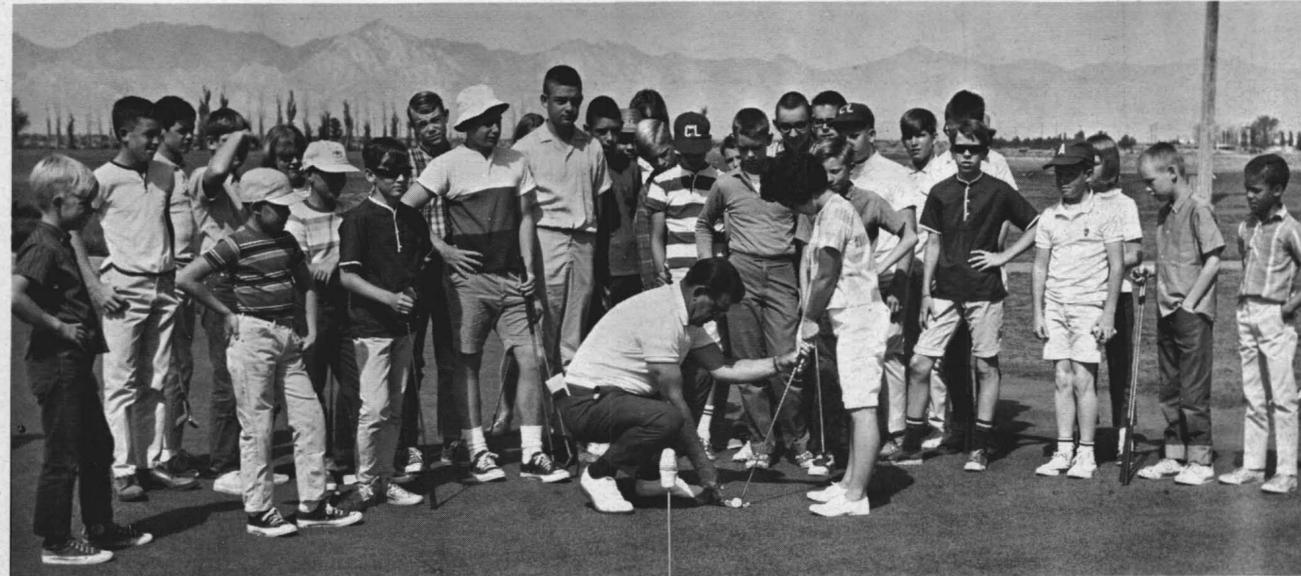

Bike Safety Week is sponsored throughout the United States during the week of April 18-23 by the Optimist International, an association of men's service clubs. Locally, the Optimist Club of Ridgecrest-China Lake, which was only recently organized, has volunteered as the co-ordinating agency to work with the law enforcement agencies, school authorities, Parent-Teachers Associations, and

JUNIOR PROFESSIONALS TOUR—New Junior Professionals at China Lake and Pasadena were given an orientation tour of the Station this week in preparation for the future roles they will play here in the advancement of the re-

search and development programs. Group is composed of top graduate students from colleges and universities throughout the nation. When the JPs complete their training period they are assigned to Station departments.

ALL FOR FREE—Twenty-nine beginning golfers are instructed by Paul Someson, China Lake Golf Club Pro and PGA Professional, in the fine art of golfing. Someson conducts a "free golfing clinic" annually for beginners dur-

ing the Easter vacation. "No one is ever too young to start learning the game of golf," says Someson, "any duffer will tell you that." The genial Club pro has pioneered the game at China Lake from a sand to 18-hole grass course.

NOTS Pasadena

VIRGINIA E. LIBBY — EXT. 638

Careers Conference

NOTS personnel from Pasadena and China Lake participated in the Fourth Annual Public Service Careers Conference held at California State College at Los Angeles.

The event was sponsored by College-Federal Service Council, League of California Cities and the American Society of Public Administration, Los Angeles Metropolitan Chapter.

Co-Chairman of the Conference was Charles C. Beatty, Head, Torpedo Development Division, NOTS Pasadena. George Pollak, Deputy for Administration, NOTS Pasadena, and member of the American Society of Public Administration served on the Conference Steering Committee.

Dr. E. J. Jones, Head, Management Research Group, China Lake, lectured in the Public Administration and Management Workshop and R. B. Biller, Creativity Research Group, China Lake represented federal service to persons attending the Conference.

Dr. E. J. Jones, Head, Management Research Group, China Lake, lectured in the Public Administration and Management Workshop and R. B. Biller, Creativity Research Group, China Lake represented federal service to persons attending the Conference.

The Careers Conference provides an opportunity for counselors, teachers, and placement officers from all levels from junior high school through college, to learn of the career opportunity outlook in public service.

Participants attended workshop sessions at which representatives of federal, state, and local government agencies discussed opportunities for individuals with various fields of specialization such as business administration, engineering, liberal arts, or vocational education.

Keynote speaker for the event was Mr. Richard Nevins, Member of the State Board of Equalization.

He is survived by his wife, Julia; a daughter, Mrs. George I. McKelvey of Claremont, and a grandson, George Stuart McKelvey.

Terminations Administration — Susan H. Cameron, Administrative Assistant.

UOD — Charles S. Black, Ordnance Man; William H. Alberts, Jr., Mathematician; George M. Jackson, Electrical Engineer.

Engineering — Gordon B. Levy, Electronic Engineer.

Public Works — Andrew P. Neilson, Machinist; James Dunlop, Supervisory Engineering Draftsman; Robert W. McPherson, Cable splicer (communications); Douglas J. Yeager, Truck Driver; and William F. Fry, Electrician.

ORIGIN OF ADMIRAL The word "admiral" comes from the Arabic phrase, Amir-al-bahr, meaning "commander of the seas."

DAVID H. BROWN, General Manager of Bendix Pacific Corporation, receives symbolic key from Capt. G. H. Lowe, Officer in Charge, NOTS Pasadena, at ceremonies held to terminate NOTS temporary facility at Bendix Sylmar. Capt. Lowe holds the sign used to designate the NOTS area for the past eight months.

Another Milestone

A festive ceremony was held at the temporary NOTS Sylmar facility last week when Captain G. H. Lowe, OinC, NOTS Pasadena, officially returned the symbolic facility key to David H. Brown, General Manager of Bendix Pacific Corporation.

About eight months ago, NOTS leased this facility from Bendix for use as a training activity for Navy specialists and technicians who will be operating the MK 46 in the future. These men were given an intensive course in the theory of operation, maintenance,

preparation and turnaround of the MK 46. This program, now completed, was the occasion of the celebration.

In addition to Capt. Lowe, other NOTS representatives on hand were D. J. Wilcox, Head, Underwater Ordnance Department; C. G. Beatty, MK 46 Program Manager; M. O. Heinrich, MK 46 Deputy Program Manager; and R. M. Leard, MK 46 Production Manager.

Other personnel representing Bendix Pacific were Gus L. Muller, MK 46 Program Manager; A. J. Ellertson, MK 46 Technical Director; and G. B. Williams, Works Manager, Electronics Center.

Other personnel representing Bendix Pacific were Gus L. Muller, MK 46 Program Manager; A. J. Ellertson, MK 46 Technical Director; and G. B. Williams, Works Manager, Electronics Center.

Coming Down The Stretch

BY RAY HANSON

Twenty-seven weeks of hot competition in the NOTS Wednesday night bowling league culminated in two teams being separated by only one game going into final position week. The Black Cats (69.5 wins, 38.5 losses) and the AstroNOTS (68.5-39.5) were set up to collide for the championship. Meanwhile, the Sphinx (65-43) and the Jacks and Better (61-47) were also set up to do battle for first-division positions. Final standings next week!

High scores for the 27th week were as follows: team series, Jacks and Better, 2919; team game, Pin Folk, 1022; men's series, Harry Paulson, 681; men's game, Jack Sayre, 245; women's series, Coco White, 612; women's game, Sue Marimon, 224.

STEP RIGHT UP, FOLKS—Judy Ward (r) signs up for her "picture" during the annual visit of the Mobile X-Ray Unit. Vivian Dykes provides clerical services for the Unit's operating personnel—Ernest E. Goggins, Jr., HMI, and Fred C. Penner, HMC. According to Virginia Olson, Pasadena Annex Nurse, 475 persons including military personnel (and their dependents), Annex employees and personnel from ONR Board of Examiners, Green Street, were X-rayed during the four-day period.

Personnel Department Inaugurates Recording System for 'Benny Suggs'

Got a Beneficial Suggestion? Call it in!! Starting this Monday, it will be possible to submit Beneficial Suggestions on a new telephone answering service.

This is how it works: 1. Jot down your suggestion so you will know what you're going to say.

2. Dial 72921 for instructions and to submit your idea. 3. State all information SLOWLY AND DISTINCTLY so that it can be accurately transcribed.

And that's all there is to it. Your suggestion will be transcribed on a suggestion form and mailed to your department for action.

One big complaint we've had about the suggestion system is that our people work "spread out all over the place" and that it is inconvenient to go to the departmental offices for suggestion forms when a good idea strikes. So — no one is ever too far from a telephone — so when an idea occurs to you that will "Save Money," "Save Time," "Result in Safer Working Conditions," "Improve Employee Morale," etc., call it in on Ext. 72921.

Make your suggestion as short as possible but be sure to include enough information so that it may be properly investigated and evaluated.

Incidentally, the idea to use this answering service came as a suggestion from one of our employees and netted him a nice piece of extra spending money.

Oh, by the way, the old method of picking up a form and filling it out yourself and turning it in is still a good way.

'BENNY SUGG' RECORDER—No more waiting if you have a hot 'Benny Sugg.' You can phone it in now. Bob Brown points out telephone recorder installed by Personnel Dept. to A. Ross and R. Harrison. Dial 72921 to submit your idea.

New Withholding Tax To Be Effective May 1, W-4 Forms Due 15th

A new Federal Withholding Tax System will become effective May 1, 1966, according to Central Staff.

All civilian employees will be required to submit a new Withholding Exemption Certificate Form W-4 to the Accounting Division, Code 1762, by April 15. NOTS Notice 7420 of April gives full details.

A 14 per cent to a 30 per cent increase can be expected under the new system, depending on income and the number of exemptions.

Employees who do not submit a new W-4 Form will be considered single and subject to the single withholding rate, Central Staff cautioned.

Easter Dinner, Egg Hunt, Election Slated by 'O' Club

An opportunity for all the members of the family to enjoy the Easter Season is being offered by the Commissioned Officers Club during the month of April.

April 10, the Club will prepare a special Easter Sunday dinner. Roast turkey and baked ham plus all the trimmings will be served between the hours of 12:30 and 6:30 p.m. The price for this special dinner is \$2.50 per adult and \$1.25 per child.

Easter Egg Hunt Beginning at 2 p.m. on the same afternoon, an Easter egg hunt for children six and under will be sponsored by the Club. The lawns surrounding the Club will provide the hiding places for the brightly colored eggs. Children should bring their own Easter baskets for the hunt. Peter Rabbit may also schedule a visit during the egg hunt.

Easter Breakfast Will Be Served at East Wing The annual pancake breakfast sponsored by the Youth Fellowship of the All Faith Chapel will take place from 6:30 till 8:30 on Easter morning. It will be served in the East Wing of the Chapel, following the Easter sunrise service on the Chapel lawn, at which the new church carillons will be dedicated and played for the first time.

The money raised will be used for one of the many worthy projects sponsored by the Youth Fellowship.

Prices are adults, 90 cents, children 5 through 12, 60 cents, and those under 5, 25 cents. Tickets are available at the church office from Helen Schoss, or from Donna Newman, Ext. 723132, or from Roberta Odell, Ext. 71369.

WACOM Election On April 12, WACOM will welcome spring officially by holding their Election Tea at the Club from 3 to 5 p.m. The nominations for the elected officers of WACOM will be introduced and members may vote during the afternoon. Those nominated for offices are: Mrs. R. C. New, president; Mrs. Burke West, vice president; Mrs. R. R. Stoops, secretary and Mrs. A. H. Goettig, treasurer.

Mrs. R. C. Valitchka, chairman of the event, announces miniature umbrellas filled with flowers will remind members that "April Showers Bring May Flowers."

Red Cross Br. Needs More Volunteer Aides

Join Up! Join In! The Indian Wells Valley Branch of Kern Chapter, American Red Cross, needs more volunteer Social Welfare Aides. A new class for Welfare Aides is now being formed. For further information or to register, please call Mrs. Howell Sumrall, FR 5-4800, Mrs. Robert Appleton, Ext. 77653, or Mrs. John Strang, Ext. 73281.

AFGE Membership Drive Schedule List

Local Lodge 1781 of the American Federation of Government Employees (AFGE) will continue its membership drive next week with national representative Nevin V. Hepner at the following locations:

Monday April 11 Mich Lab Cafe 11 am-1 pm Bennington Plaza 4:30-5:30 pm

Tuesday April 12 CLPL Cafe 11 am-1 pm Bennington Plaza 4:30-5:30 pm

Wednesday April 13 Station Rest 11 am-1 pm Bennington Plaza 4:30-5:30 pm

Thursday April 14 CLPL Cafe 11 am-1 pm Bennington Plaza 4:30-5:30 pm

Friday April 15 Mich Lab Cafe 11 am-1 pm Bennington Plaza 4:30-5:30 pm

An organizational meeting will be held at the Station Restaurant Banquet Room from 1 to 3 p.m. on Saturday, April 16, with officers of the Barstow AFGE Lodge present to answer questions. Further information may be had by calling Ext. 76742.

Last Call Sent For Information Cards In Navy Housing Study

The NOTS Housing Office has sent out an urgent call for all remaining housing and telephone questionnaire cards to be sent in. The information review is a Navy-wide effort to determine adequacy of private and government housing for military and civilian personnel.

Deadline for sending the cards to the Housing Office was last Friday, but cards are still requested and are being received.

MEET YOUR COUNCILMAN

This is the 14th in a series offered by the Rocketeer to better acquaint residents with China Lake Community Council precinct representatives.

As the Man to See for the straight story on Community Council activity, past and planned, Henry R. Blecha is one of the busier members of the China Lake civic leadership.

Henry took up his duties as Recording Secretary for the Council last year, and ended a stint as Housing Committee chairman. In addition to his secretarial work, which includes publicity liaison, he currently serves on the Housing and Community Improvements Committees.

The Council's Recording Secretary is a mechanical Engineer with Code 50's Systems Electronic Design Branch. He and his wife Jean have been China Lakers for six and a half years, and make their home at 400-B Tyler with their two young boys, Bryan, 18 months, and Kevin, born just this year on Friday, February 25.

The first six months of his time here Henry spent on active duty with the Army at Fort Sill, Oklahoma, as a newly commissioned officer in the Reserves. He took his commission, and a B.S. in mechanical engineering, from the University of Idaho, his home state, in June, 1959. He is now a first lieutenant with the 6160th USAR Research and Development Unit, China Lake Detachment, with headquarters in Bakersfield.

His profession and his hobby both led Henry into four other associations. He holds membership in the American Ordnance Association; the American Society of Mechanical Engineers, and the Society of Automotive Engineers. His interest in one particular breed of dogs — the Borzoi, otherwise known as the Russian Wolfhound — makes him a member of the Borzoi Club of America, and of California. This busy councilman also counts photography, military history and golf as interests.

ORIGIN OF CROW'S NEST The term "crow's nest" was derived from the cage which housed ravens at the top of the mast of Norse ships. When the Norsemen lost sight of land a raven was released and followed.

HENRY BLECHA

CHAPLAIN'S MESSAGE

The Significance of the Day

By CHAPLAIN MARK E. FITE

A season meaningful to the whole world is Easter. However, its most profound impact is made on Christians. It notes the resurrection of Jesus, the founder of Christianity. It is preceded by some forty-five days known as Lent, or a time of spiritual introspection and preparation for the event.

Friday preceding Easter Sunday is always known as "Good Friday." This is the day of the death of Jesus. Services in churches mark this time in appropriate observance and meditation on the last words spoken by Jesus while he was on the Cross.

These last statements of Jesus embrace the most solemn, sacred and saving period in the history of the world. If these words are seriously studied and correctly interpreted, they provide a source of strength to match each day's demands.

Then according to the record, on Sunday morning the tomb was found empty, but not as a result of some human effort or genius. It was the work of God — a miracle that has given reassurance to Christians of the certain triumph of resurrection from death and whatever grave one may have. It gives hope that regardless of where one may be the resurrection of Jesus is broad enough to encompass all persons.

His words from the Cross are very meaningful. It is God's way of extending His hand to us when Jesus said, "Father forgive them."

The resurrection answers the question on the lips of one so long ago (as well as our own), "If a man die, shall he live?" (Job 14:14) It is answered by the same man in 19:25—"I know that my redeemer lives ----" Jesus the Redeemer verified this fact on that resurrection morning. He gives us his unbroken promise, "---- because I live ye shall live also!" (John 14:19)

These days, with men falling in battle and the sacrifices made for meaningful purposes, let us take hope and courage in this event of the resurrection. Most of all there is an open ended invitation from the one who gave us this day, "Come to Me, all who labor and are heavy laden, and I will give you rest." (Matt. 11:28)

PARTING GIFT — Phyllis Yount, chairman of the local Navy Relief Society, presents Chaplain R. W. Odell with a set of Death Valley onyx bookends on behalf of Navy Relief workers. Chaplain Odell has served as executive secretary of the local Branch for the past two years. He leaves for his new duty station at New London, Conn., next Tuesday. He will preach the 11 a.m. Easter Sunday service.

Carillon Dedication

A new milestone will be marked in the eight and one-half year history of the NOTS All Faith Chapel this Sunday with an Easter Sunrise Service and dedication ceremonies for a "Coronation" carillon for the Chapel.

The carillon has been presented to the Chapel by the Protestant Congregation of the All Faith Chapel.

"The carillon is to be a living memorial to those who have served and gone before us and also to be an inspiration to all to reach higher towards the unlimited horizons of God," says Senior Chaplain Robert W. Odell.

The igniting spark for the memorial carillon endeavor followed the death of Lt. Douglas Mayfield, an NAF pilot who died in a plane crash here on June 11, 1965.

A memorial plaque will be placed in the Chapel narthex. No individual names will be inscribed on the plaque.

The "Coronation" carillon is an instrument consisting of 25 miniature bronze bell units

that are struck by metal hammers. True bell tones, barely audible, are then amplified over 100,000 times by electronic equipment.

The carillon, an exclusive development of Schulmerich Carillons, Inc., of Sellersville, Pa., provides the equivalent of 79,462 pounds of cast metal bells tuned to the finest standards.

The range is G below middle C to G two octaves above. The low G bell is equal in tone to a cast bell weighing 13,350 pounds.

The carillon will be played from a keyboard located on the organ console in the Chapel. Selector switches permit the bells to be heard inside alone, from the outside alone, or both inside and outside simultaneously.

Two additional features which will be added shortly will permit automatic tolling of the hour and the playing of short selections at specific times during the day.

Contributions may still be made to the Memorial Carillon Fund.

Sunrise Hill Services

The Rev. A. Delbert Bruce, of the American Baptist Church, will deliver the sermon "Alive Forevermore" at the Easter Sunrise Service to be held at Sunrise Hill, six miles east of Ridgecrest on Trona Road at 5:21 a.m.

Signs will be posted to direct worshippers to the site. Cadets of the China Lake Civil Air Sqn. 84, under the command of Maj. Charles Ross, will direct cars to the parking areas.

The Rev. Robert Harvey, vi-

car of St. Michael's Episcopal Church, will give the invocation. The benediction will be pronounced by the Rev. Rubin Lacy, pastor of the Union Baptist Church.

The scriptures will be read by the Rev. Roy Ross, pastor of the Covenant United Presbyterian Church.

Musical selections will be provided by the Union Baptist Church choir.

The services are being sponsored by the Indian Wells Valley Pastors Fellowship.

PROMOTIONAL OPPORTUNITIES

Present Station employees are encouraged to apply for the positions listed below. Applications should be accompanied by an up-to-date Form 58. The fact that positions are advertised here does not preclude the use of other means to fill these vacancies.

Electronics Technician, GS-856-11, PD655-021, Code 5525—Position is located in the Radio Frequency Section. Incumbent performs and/or supervises; functional tests on missile radio frequency and guidance systems. Is responsible for trouble-shooting, calibrating, operating and maintaining the test facility and associated antenna bore-sight and pattern measurement systems; measurement of microwave component parameters by swept frequency and point to point techniques. Directs and/or performs trouble-shooting, assembly, disassembly and modification of missile RF systems, and oversees the fabrication, construction and test of electronic and microwave circuits, apparatus and test fixtures.

Clerk Typist, GS-3, PD 655022, Code 5564 Types official correspondence and other documents. Compiles information for correspondence and reports. Receives incoming mail, routes within Branch.

File applications for above with Loretta Dudley, Bldg. 34, Rm. 34, Phone 71471.

Mechanical Engineering Technician, GS-802-7, Code 6545—Assists engineers and scientists on projects involving research, design, development and application of pyrotechnics or explosive ordnance devices or compositions. Will modify equipment, set up tests, design equipment, and mix chemicals and pyrotechnics.

Qualifications: Must have experience handling explosives, mixing chemicals, and reading blueprints.

Mechanical Engineering Technician, GS-802-9, Code 6545—Assists engineers in experimental studies to determine warhead design, do data reduction on fragmenting tests, coordinate programs and assist in component design.

File applications for above with Evelyn Moore, Bldg. 34, Rm. 26, phone 71648.

Computer Systems Analyst, GS-7, Code 2510—Incumbent will receive training and instruction in the fields of programming and operation of an integrated data processing system and assist the Digital Computer Analyst in effecting the established Supply Department data processing programs.

Applicants must have had three years of progressively responsible experience in administrative, technical, or investigative lines of work and one year of specialized experience which has demonstrated the ability to deal analytically and systematically with problems of organization, workflow, analysis of information requirements, and planning of integrated procedural systems.

Truck Driver (Heavy Trailer), (four vacancies) WB-09 (\$3.24 to \$3.50 per hour), Code 2596—Drives straight-in-line trucks of gross vehicle weight rating in excess of 22,000 pounds or any tractor and semi-trailer combination. Performs necessary operational functions to liquid fuel transfer equipment for the fueling and defueling of aircraft. Receives training and experience in various aspects of liquid fuels distribution. Applicants must have had one year of experience in driving trucks of over 3-ton manufacturer's rated capacity, including six months of experience in operating semi-trailer or tractor-trailer types. Experience or familiarization with liquid fuels distribution operations is desirable, but not mandatory.

File applications for above with Naomi Campbell, Bldg. 34, Rm. 28, phone 72218.

Personnel Clerk (Position Classification: Typing), GS-203-4, Code 655 — Maintains references, documents and files for the Wage and Classification program for the Personnel Department. Prepares and types special reports as required. Assists the Dept. Admin. Asst. by performing a variety of clerical duties. Qualifications: one year General, one year Specialized.

Public Information Officer, GS-1081-5 or 7 (one vacancy), Code 902—Assists in planning presentation tours; participates in presentations; and conducts tours for Station visitors. Visitors range from official visitors who are here to discuss technical programs to those unofficial visitors represented by civic organizations and school groups.

Qualifications: Should include work such as relation with public information and communication media planning, conducting variety types of liquid fuels distribution.

File applications for above with Sherry Scheer, Bldg. 34, Rm. 26, phone 71577. Deadline for filing is April 15.

COMPETITIVE PROMOTIONAL EXAMINATIONS

Competitive promotional examinations are announced for the following: Leadingman (Maintenance), Ann. No. NOTS-IVa-3(66); Leadingman, Model Maker (Sheet & Plate Metal), Ann. No. NOTS-IVa-4(66); Quartermaster Model Maker (Metal Components), Ann. No. NOTS-IVa-5(66); Quartermaster (Maintenance), Ann. No. NOTS-IVa-6(66); Chief Quartermaster (Maintenance), Ann. No. NOTS-IVa-7(66).

The issue date for the above examinations is April 11, 1966. Applicants must be Career or Career Conditional employees of NOTS, China Lake or Pasadena, California.

File Card Form NAVEXOS-4155-AB and Standard Form 57 with the Detached Representative, Board of Examiners, 11ND, China Lake, California. Forms must be received or postmarked not later than May 2, 1966.

OVERSEAS VACANCIES INFORMATION

Information on overseas vacancies is available at the reception counter of the Personnel Department.

Court Decisions Give Some Servicemen Auto Tax Break

Recent decisions by the Supreme Court of the United States have given non-resident California servicemen a break on motor vehicle taxes.

In line with the Court's decisions, California's Department of Motor Vehicles has passed the word to local branches that no attempt be made to collect a license fee as a condition to registering and licensing non-resident servicemen's vehicles.

Under California's Vehicle Code, non-resident servicemen were required to pay: A registration fee (\$8 for 1965, \$9 for 1966 and increasing amounts for future years) and a considerably larger license fee which was calculated at two per cent of the market value of the vehicle.

Now, however, non-resident servicemen are exempt from the two per cent tax. However, they will still be charged a service fee of \$6 at the time of initial registration and the standard registration fee of \$9 for a car or trailer and \$10 for a station wagon.

To avoid the two per cent tax the non-resident serviceman must submit a "statement of facts" indicating that he is in the military service on active duty, his service number and the name of the state and city or town in which he claims residence.

The non-resident servicemen who have already registered vehicles this year, or who have been charged the license fee in any previous year, may apply for a refund by filling out in triplicate a form available at any Dept. of Motor Vehicles Office.

Request for refunds should be sent to: Department of Motor Vehicles, P.O. Box 1319, Sacramento, California.

Conference Here To View Careers In Govt. Service

(Continued from Page 1) tific Oasis" for conference members at 11 a.m. Friday, following breakfast and a business meeting at 7:15 and a tour of NOTS ranges at 8:45.

The panelists are to discuss all aspects of NOTS activity, from makeup of the community, to technical programs, to advanced educational opportunities.

Panelists will be Robert P. Biller, social science research analyst with Personnel Department and the panel moderator; H. G. Wilson, NOTS Associate Technical Director; Dr. Ivar E. Highberg, head of Systems Development Department and Assistant Technical Director for Development (Weapons Systems); Raymond A. Harrison, head of Personnel Department; James H. McGlothlin, Community Relations Officer; Milton H. Ritchie of Code 55's Engineering Evaluation Branch; and Robert C. Nelligan, Associate Employment Division head and Recruitment Coordinator.

Registration for the conference will begin at 9 a.m. Thursday, and continue during the day. A NOTS tour and film presentation will take place at 1:30 p.m., followed by a NASA demonstration at 3:30, a no-host social hour at 6:30 and Edward Carpenter's presentation at the banquet starting at 7:30.

Friday's schedule will conclude with Dr. Holloway's NASA address on space research at the 12:45 luncheon, and a conference inventory conducted by its chairman, Dr. William G. Thomas, at 2 p.m.

Bike Safety Week Slated April 18-23

(Continued from Page 4) other civic and service groups in establishing this program valley-wide to make this "the safest cycling area in the United States."

Ted Edwards, president of the local Optimists expressed his gratitude for the spirit of cooperation which his group has enjoyed in the progress thus far. "After all, this is not the first bicycle safety program in this area but this is a first for attempting to make it valley-wide." We have volunteered because it is an international program of our international organization.

Irwin I. "Bud" Shull, program chairman, echoed the president and noted that many groups recognize the value of such a training and testing program, particularly school authorities and law enforcement agencies. But, he went on, these people need more help in a special concentration of effort. Emphasis increases learning and retention and Bike Safety Week is the emphasis.

Bike Safety Week Chairman, Fred Johnston, noted that in many areas, other groups such as the Bicycle Institute of America, an association of bicycle manufacturers, distributors and retailers, insurance companies, the National Automobile Club and the Automobile Club of Southern California have taken the lead in the bicycle safety programs.

Bluejackets See Extensions Cut

(Continued from Page 1) ors with expiration dates between March 1 and April 30, to two months for those with dates between May 1 and June 30, and to one month for dates between July 1 and August 31.

On September 1 and thereafter, according to NOTS' Navy Enlisted Personnel Division, enlisted obligated tours will end on the EAOS date.

BOWLING NEWS

By CURTIS HAMILTON NOTS Ext. 725181 PREMIER LEAGUE

The Desert Playhouse and Mercury Movers tied for high team game with a big 950. Laura Scudders wouldn't stand still for this, so they rolled 921-849-921 for high team series of 2736. Don Tucker pounded out a big 235 righ game for a 623 series, but this wasn't quite big enough to beat Joe Kokosenski's 625 series, consisting of 213-178-234.

MIDWAY LEAGUE

The YoYos had high team game of the night with 929, while CPO took high series honors with a 2551 series. Don Tucker rolled a big 220 for high game and Clinton Green came up with 581 for high series.

The new service is sponsored by two Ridgecrest businesses.

Bowling Champions

OUTSTANDING TRIO—Youth bowling for 1965-66 winter season yielded Mike Dowd, 12, of Prep Boys Div. as Outstanding Bowler of the Year. He shows trophy to Fred Dalpiaz, manager of China Lake Bowl and program's instructor-treasurer, with encouragement from Eileen Schad, Youth Bowling secretary, holding appreciation pin presented to her at awards ceremony Sunday, March 27.

NO NAMES TRIUMPH—Champion team of Prep Boys bowlers for winter season are (l-r) Don Branson, Paul Nielson, Larry Jones and Bret Pryor. Randy Graham was absent.

ALLEY KATS TAKE BOW—Top team award for Prep Girls went to (l-r) Pat Dalpiaz, Chris Hooper, Therese Zwiers and Marilyn Clark. Over 150 children bowled in youth program. At award ceremony Bob Kessler, manager of Lancaster's Sands Bowl, reviewed benefits of parent-child participation in youth bowling programs.

Eastertide Services Protestant Catholic Good Friday, April 8 12:noon to 2 p.m.—Two hour Devotional and Meditation in 20 minute periods of worship. 7:30 p.m. — Dr. Harold K. Graves, guest minister. Easter Sunday, April 10 5:30 a.m. Easter Sunrise Service—All Faith Chapel Lawn. 6:30-8:30 a.m. Breakfast-East Wing served by the Senior High Youth. 8:30 a.m. Holy Communion and 11 a.m. Divine Services.

The Rocketeer Official Weekly Publication of the U. S. Naval Ordnance Test Station China Lake, California. Capt. John I. Hardy, USN Station Commander. "J." Bibby Public Affairs Officer. Frederick L. Richards Editor. Staff Writers: Budd Got, John R. McCabe, Joan Raber.
