In addition to the other numerous awards received for his play, G. B.

Shaw won the Nobel Prize for literature to cap a brilliant career. Diane Dickinson, seen recently as Magnolia in "Showboat," will portray Liza Doolittle, the young flower girl. David Seppich will be seen as Col. Pickering and Karen Seppich will enact Mrs. Pearce. ## Ida Davis To Be Featured Artist At November Art League Show

The Desert Art League is sponsoring a one-man show of paintings by Ida Davis during the month of November in the Joshua and Yucca Rooms of the Community Center. There will be an "Opening Viewing" on Sunday, November 1, when the Community Center will be open from 12 p.m. to 6 p.m. All residents are invited to attend between those hours for the special showing. The show will remain at the Community Center for the entire month of November and can be seen from 7:30 a.m. to 4:30 p.m., Monday through Friday or when

the Community Center is open for special events. Included in the month-long show are paintings by Mrs. Davis which are on loan from the private collections of the following local residents: Capt. and Mrs. M. R. Etheridge, the Milton Burfords, Charles Rogers, Warren Kirks, James Netzers, Curt Bryans, Melvin Dulls, B. J. Gorronos, Roland Bakers, Clyde Hazens, Karsten Skaars, and the Bernard Connollys. While Mrs. Davis' main interest lies in realistic landscapes, the

show will include works in portrait, pastel, collage, impressionism, still life, and non-objective. Mrs. Davis has always been interested in art projects but only started painting seriously four years ago. Since then she has taken special art classes, including classes offered by the Bakersfield College Desert Campus. She studied privately with Mrs. Leila Guzman, former Bakersfield College art instructor who is now teaching in Puerto Rico. During the past two years Mrs. Davis has won two first place ribbons, one second, one fourth and one honorable mention award in art competition. She also does photo tinting and last year she illustrated a cookbook for WACOM.

Mrs. Davis has resided in the local area for the past 13 years. She is now serving as treasurer for the Desert Art League.

The Security Department has announced that the Internal Security Branch, Code 8411, has moved from building 35 to Building 987, the Police Building at the Main Gate.

## Parade, Flyovers Enjoyed By Crowd Along Blandy

An estimated crowd of more than 7,000 persons (which included 2,500 China Lake Elementary School students), lined Blandy Avenue last Tuesday for a parade of NAF, VX-5 and NWC personnel in celebration of Navy Day October 27.

The Naval Air Facility, under the command of Capt. R. E. McCall, was given the prime responsibility for organizing this year's Navy Day Event.

Led by the COMNAVAIRPAC Band, officers and men from NWC and the Burroughs High School band, marched smartly past cheering crowds along the flag-lined parade route.

Present on a reviewing stand, located in front of Schoeffel Field, were many Center officials and visiting dignitaries and their wives, including: RADM. W. J. Moran, NWC Commander; H. G. Wilson, NWC Technical Director; Capt. M. R. Etheridge; Capt. J. K. McConeghy, Jr., NWC Executive Officer; Capt. R. E. McCall, Commanding Officer of NAF; Capt. **TOP BLUEJACKET** — FTG2 Ralph Brewer of NWC, receives a deserving buss from his wife, Vivian, after he was selected Bluejacket of the Year by the Navy League at a banquet held Oct. 26 at the CPO club. The event, held annually as part of the celebration honoring Navy Day, climaxed a 12-month promotion by the Center that honors a different outstanding enlisted man each month.

## FTG2 R. Brewer Honored As Top NWC Bluejacket

By Budd Gott  
Ralph L. Brewer, a fire control technician second class with the Naval Weapons Center's Weapon Control Facility, was named "Bluejacket of the Year" Monday evening at the IWV Navy League Council Awards Banquet held in the CPO Club.

Before a crowd well over 200, including high ranking Navy officers, Navy League members, family and friends of the 10 competing "Bluejackets of the Month," Brewer was presented a \$900 check and a "Bluejacket of the Year" plaque by VADM. P. D. Stroop, retired, Center Commander from October 1952 to August 1953.

In presenting the plaque to Brewer, VADM. Stroop, who retired in October 1965 as Commander, Naval Air Force, U.S. Pacific Fleet, paid tribute to the enlisted men of the Navy.

"In my 42 years in the Navy, I've seen a constant upgrading in the enlisted man. They are more intelligent, they are more resourceful, and above all they are dedicated," Vice Admiral Stroop said. "Our Navy is in good hands," he emphasized.

In accepting his awards, Brewer remarked, "I didn't prepare a speech. I didn't think it could ever happen to me. But I did think about it. All I can say is that every man who was selected as 'Bluejacket of the Month' is as worthy of this honor as I am.

"This is the greatest thing that has happened to me. The best (Continued on Page 5)

## \$17,000 So Far Campaign Going Well-1st Report

Frank MacDonald, Publicity Chairman of the Combined Federal Campaign Fund Drive currently under way at China Lake, has reported that over \$17,000 has been contributed in the first two weeks of the campaign toward the goal of \$75,000. MacDonald stated that returns are in from only seven departments and he is optimistic about the final results.

In addition, MacDonald asked that all key men who were supposed to have their returns in to Gordon Peacock by October 26 should do so at their earliest convenience.

MacDonald also explained that persons who designate a particular organization to receive their donations can be assured that the donation will be given to that organization. MacDonald stated that many persons had questioned this particular aspect of the CFC and he emphasized strongly that money contributed to the CFC was placed where the donor wished.

## Navy Day Message Oct. 27, 1970

"Navy Day is a time when we think of the Navymen and women who have served our country through its 195-year history. The generations of brave and dedicated Naval personnel, who sacrificed so much to protect this land and this way of life, have earned our profound gratitude and our enduring respect. Continuing that proud tradition today, approximately 700,000 Americans in Navy blue serve in defense of the United States at home and overseas. On this Navy Day 1970 many of our sailors are fighting in Vietnam, or are serving far from home in situations that test their endurance and devotion. Each is meeting the high standard of the 'U.S. Navy - Mark of a Man'; they are living symbols of the strength of this country and our determination to seek and to preserve an honorable peace with the rest of the world. They form the shield at sea that protects this nation and its ideals of freedom and justice for all. On this, our 195th anniversary, I am deeply proud of the dedicated and outstanding service of Navymen and women to the U.S. Navy and to the Nation."

# Premier League Tied Up, Midway Has High Game

Continuing his scoring ways, George Bowles pounded the pocket for a 265 game October 20 in the Midway League. George's performance, however, was nearly matched by Bill Tamaras, who shot a triplicate-200 with games of 201, 221 and 201 for a 623 series. W. Francis rolled a 237-617 and B. Horton had a 226 game. John Shepherd rolled 225.

### Premier League

B&F Liquor took two games from Allied Vending while NAF was busy taking two from Ace-TV to throw the Premier League into a two-way tie for first place, between B&F and Allied.

Scores were high as six men broke the 600-mark, led by Warren Turnbaugh, who put together games of 233-228-204 for a 665 series. Ken Dalpiaz rolled 236 and 227 for a 646 series, while Thad Brightwell hit the triple-200 circle again with 215-214-203 and 632. Jack Herbstreit rolled games of 242 and 211 enroute to a 624 series and Fred Akins pounded the pocket for 242 and 235 after a disastrous first game to wind up with a 615 series. George Barker closed out the 600-shooters with a 233-609.

Other fine scores: Robin Fuller, 235; Dan Branson, 230; Bill Esch, 219; NAF, 2860 series, and for the first time this year, Arden's Dairy, 989.

### Children's Leagues

In the Bantam League Mike Lindsey led the scoring with a 430 series, which included a 159 game. Billy Steele rolled a 189 and Robert Campbell a 154. Bob Kuzmin had a 162 and Tony Pfau a 164. Russell Preul hit 155. Rhonda Billings scored a consistent 169-132-135 to

lead the girls with a 436 series. Susan Smith had a 135, Pamela Smith, 132, and Debbie Smith, 130. Sounds like a circus act.

Ronnie Morris had a 155 game to lead the prep league scoring last Saturday, with Marvin Titus (132), Chris Lockwood (104), Richard Everett, (129-124), and Amy Petach (106-115) also bowling good scores.

### Women's Wed. Nite

Pat Maddux was the top bowler with a 569 series and a high game of 233. Estella Paine had a 203 game and Liz Furstenberg's 514 and Lorraine Johnson's 511 were also recorded. MarLyn Heeke rolled an all-spere game. On October 14, Estella Paine rolled a 231 game and Jennie Slates picked up the 3-7-8-10 split.

### Junior-Seniors

Chuck Sartorius, with a 136 average, rolled games of 200-169-202 for a 571 series to lead scoring last Saturday. Chuck Roulund had a 181 single effort and Betty Clark led the girls (and most of the boys) with a 183.

### Ding-A-Lings

With a title like that, this league would have a team named "The Twinkle Toes." The Twinks led the scoring last week with a 790 single game and a 2209 three-game series. Marion Nichols had a 505 series and a 210 game to lead the individual scoring.

### Friday Mixed 4-Some

The J. Birds held on to the league lead (won 15, lost 6) last Friday as scoring was high in both the male and female categories. Dan Ryan led the males with a 623 series, followed closely by Chuck Cut-

singer with 609 and John Dowd with 599. Jim Wolfe had a 224 single. Ryan fired 219-216, Cut-singer, 213, Allen Smith, 214, Ray Freascher 213, and Jim Netzer, 211.

Alice Cutsinger had a 548 series, with Jean Crom (526), Darlene Herbstreit, (506), and Wilma Johnson (501) above the 500 mark. Alice had a 201 in her series.

### Supply Dept. Mixed

Vern Logue smashed out a 579 series and Barbara Beyer (hohum) led the league again with a 172-456. Dick Smith had a nice 217 game.

Ken's Liquor's Misfits rolled a 1042 (with handicap) game and a 3090 (hdcp.) series.

### Women's Monday Scratch

Myrtle Snyder led scoring with a 569 series, followed closely by Joyce Paulson, 565, Diane Richardson, 546, Maggie Branson, 541, Pat Maddux, 538, and Jeanne Crom, 536. Joyce Paulson had a 233 game, and Maggie Branson turned in a 222. Pat Maddux kept the ball in the pocket for a 216, while Jeanne Crom fired a 207, Myrtle Snyder a 203, and Royce Dowd a 202, to lead individual game scoring.

Some other 500 scores: Aiko White, 530; MarLyn Heeke 525; Cynthia Schoenhals, 515; and Wilma Johnson, 511. Joyce Paulson's 233 is high for the year in this league, while the Moonshots 2511 team series became the new standard bearer.

# Game Margin Held By VX-5

Ace TV and VX-5 both moved a step closer to their showdown for the league championship Thursday, November 5, by claiming victories in this week's action.

VX-5 mechanically defeated NAF, 14-0, in the Navy Day game Tuesday afternoon, and Ace came from behind in the fourth quarter to outlast the Wolves, 19-14.

VX-5 maintained its one-game lead over Ace by driving 55 yards in six plays to score early in the first quarter on a two-yard smash by Gino Sticca. Roger Smith plunged for the extra point.

With 2:40 left in the second quarter, the Vampires scored again on an 11-yard swing pass from Ed Whittaker to Smith. Whittaker's pass to George Williamson added the game's final point, as the two teams fought a scoreless second half.

Ace won its must game with NWC after falling from a tie for the lead last week in an upset by NAF 7-6, Thursday, October 22.

Ace scored first on the third play of the game. Ace recovered the opening kickoff with an inside kick, and after Tony Cozzucoli picked up four yards to the NAF 34, Richard Dominguez hit Bill Harris on a short pass and he rambled the distance to give Ace a 6-0 lead.

NAF's Ed Armenta stopped another Ace drive in the first quarter with an interception at the Ace 31 and returned it to the Ace 21.

After a reverse picked up 10 more yards, quarterback Stan Creecy hit tight end Kirk Ratliff to the touchdown. Creecy then threw to John Stortecke for the extra point—and as it happened, the

Three interceptions for each

team in the second half prevented any other scoring drives.

Tuesday night Ace returned to its winning ways, but not until NWC had come within inches of victory.

Once again, Ace sprung to the offensive, scoring on the fourth play of the game on a two-yard run by Dominguez after a 35-yard pass from Cozzucoli to Harris from the NWC 37. A pass from Cozzucoli to Howard Garrish added the extra point.

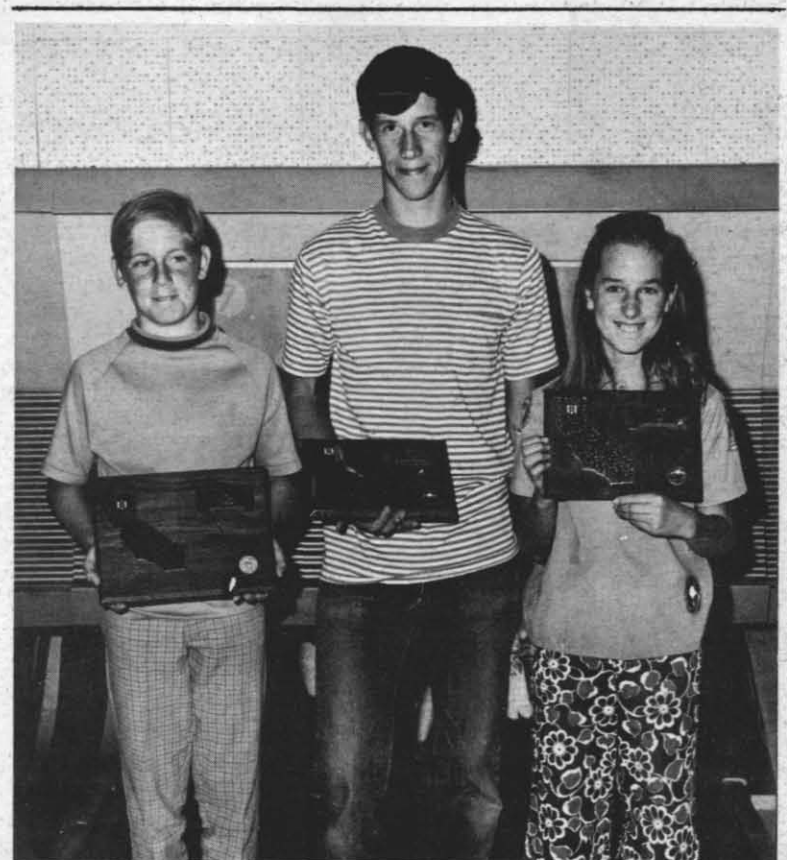

NWC came back to score on a 35-yard pass from Bill Stuart to Mick Rindt, who grabbed the ball after it had bounced off an Ace defender's hands. Jerry Kissick's sweep made the score 7-7.

Four plays later, Ace was back in the lead, as Cozzucoli threw a 17-yard scoring strike to Harris. The conversion try was no good, giving Ace a 13-7 lead.

For a few seconds, anyway. On the second play after the Ace touchdown, Stuart threw a short swing pass to Rindt, and the Wolves' speedy halfback went 65 yards for the tying touchdown (the longest play so far this season). Kissick's sweep gave NWC a 14-13 lead at halftime.

The third quarter was scoreless, but Ace scored early in the fourth when George Sieg intercepted a Stuart pass at the Ace 23 and on the first play from scrimmage, Cozzucoli and Dominguez teamed up on a 56-yard pass and run on a swing pass.

Trailing 19-14 NWC drove to the Ace 15 with :10 left in the game, but Stuart's pass to Gary Anderson was just out of Anderson's reach and Ace managed to hold on to its victory.

JUNIOR BOWLERS — Todd Andreasen, Rick Graham and Jamie Eacret (l-r) hold plaques which they won in the recent California State Junior Bowling Tournament held in Bakersfield. Andreasen placed 2nd in the singles of the "E" Division; Graham was 27th in the doubles for the "B" Division, and Jamie took 18th in the doubles for the "F" Division.

# Dick Boyd Retains Championship

Dick Boyd retained his men's singles championship and teamed with Nick Schneider to win men's doubles in the China Lake Tennis Club's fall tournament last weekend.

Boyd finished atop the field of 25 in men's singles by defeating Roger Peck, 6-2, 6-3, for the championship.

He then joined Schneider to

outlast Dick Mello and Chuck Beatty, 7-5, 6-1, in men's doubles.

Janie Cleaves took the women's singles crown by defeating Cindy Campbell, 6-2, 6-4. The Cleaves-Campbell duo appeared in the finals of women's doubles, but fell to B.J. Peck and Pat Snopkowski, 7-5, 7-6.

In the mixed doubles, Roger and B.J. Peck withstood a stiff

challenge from Billy and Cindy Campbell to win the final title, 6-3, 4-6, 6-4.

# Drummond Physicians No Longer Blue-Shield

The Employee Management Relations Division of the Personnel Department has received notification that the physicians of the Drummond Medical Clinic are no longer physician-members of California Blue Shield.

E. R. Draper, District Manager of the California Blue Shield, states that this action will in no way affect reimbursement of covered services by the Blue Cross-Blue Shield Federal Employees Program.

The Basic Surgical-Medical Benefits Folder of the Government-wide Service Benefits Plan states that in the event that employees who are enrolled in the High Option Program enter into a prior agreement with a non-participating physician for a fee in excess of the fee deemed payable by Blue Shield, the Plan will not accept liability for the excess amount.

If no prior agreement existed, the Plan will take whatever steps are necessary (through medical review and adjudication process) to assure the employee of payment

in full for covered services.

For employees enrolled in the Low Option Program, the Blue Shield Plan will pay the physician's charge up to the specified allowance, whether or not you use a Participating Physician. The subscriber is responsible for any difference between the Plan's payment and the physician's charge.

Any questions arising from this change should be forwarded to the California Blue Shield Office or submitted to the Blue Shield representative who visits the Center the second Tuesday of each month.

PRECIOUS CARGO—A helicopter piloted by Maj. Benny Rinehart, USMC, hovers with an ore wagon under tow prior to landing with the old wagon at NAF on October 21. The wagon was recovered from the ranges of NWC in order to present the relic to K. H. Robinson, Director of the Maturango Museum on Navy Day, October 27. According to Robinson, the wagon was used around 1900 and the Museum will undertake a search of records in the County Seats to ascertain which mine used it. A native of Lexington, Ky., Brewer enlisted in the Navy in February 1964. Following a tour as a machine gunner on a river boat in Vietnam, he attended Fire Control School at Great Lakes, Illinois, where he met his wife, Vivian, who was also in the Navy and attending radio school.

Following their marriage, Mrs. Brewer gave up her naval career and now works as a beautician. Parents of a son born in August of this year, the Brewers' hobby is repairing television sets.

#### Highest Awards

Francis Carlisle, Navy League Council president, reported that the cash awards, gift certificates, and merchandise exceeded those in all previous years.

"We have to thank our local service clubs, veteran organizations, fraternal groups, businessmen and merchants of the area for their generous support. Without their help, it couldn't have been done," he emphasized.

"This year, in addition to the two top awards, we were able to give \$70 each to the other Bluejackets who participated," Carlisle said.

Continuing, Carlisle noted that over 40 businesses and many individuals had contributed to the annual awards banquet which culminates a year-long program that honors an outstanding Navy enlisted man from the Center each month.

"One of the aims of the Navy League," Carlisle pointed out, is to foster and maintain civilian interest in a strong well-equipped and well-trained Navy.

"We believe the annual awards banquet honors and calls attention to our Navy men of the area," he said.
